

## You Can't Eat Meat 100 Miles Away

Preparing meat is only a part of Swift & Company's usefulness.

The finest meat in the world wouldn't do you any good one hundred miles away from your table.

Swift & Company efficiency has made it possible to place complete lines of products in the smallest and most remote communities.

To be sure the work is done well Swift & Company, through its branch houses and car routes, brings the meat to the retail dealer for you.

Swift & Company lays out car routes covering towns—big, little, medium size—which are not served by a Swift branch house.

Salesmen find out in advance what is wanted by the dealers in every town.

They are followed by refrigerator cars loaded with retailers' orders, which are delivered at each town—fresh, clean, and sweet—once or twice each week.

Swift & Company operates a large number of car routes like this, from fourteen distributing plants.

This is a necessary and natural part of the packer's usefulness. It fits into the industry in an orderly, effective way. It makes better meat cheaper from one end of the land to the other.

Swift & Company, U. S. A.

### More Camp Men to Go to Officers' Training Work

CAMP LEWIS, TACOMA, Wash., Sept. 19.—Opportunity of enlisted or drafted men to go to the central officers' training camps from this command as candidates for commissions doubled today when instructions were received from the war department, asking men not to exceed four per cent of the enlisted personnel of all organizations to be recommended for training as officers and that un-

limited numbers of men qualified for commissions as artillery or machine gun officers be recommended. By command of Brigadier General Frank B. Watson, commanders of organizations here were ordered to report the men qualified as candidates to him before September 26.

Each month men will be recommended from Camp Lewis under the directions of the war department. A school for packers, saddlers, teamsters and stable sergeants was ordered opened here today to supply men for the 12th division. In the future all troops travelling

from this camp, when their numbers exceed fifty, will be accompanied by members of the medical corps to look after the health of the troops.

In anticipation of large quantities of mail being sent from the United States to the expeditionary in Siberia instructions have been received here from the postmaster general that all such letters and mail will be forwarded whether postage is affixed at either domestic or foreign rates. Packages not to exceed 12 pounds in weight, will be forwarded at a rate not to exceed 12 cents a pound. Perishable goods will not be accepted for the expeditionary force because of the long distance to Vladivostok.

### Press Association Men Entitled to Exemption

WASHINGTON, Sept. 19.—Employees of press associations actually engaged in the collection and transmission of news by a ruling tonight by the provost marshal general's office are included among persons engaged in necessary occupations, and therefore entitled to file claims for deferred draft classification under the amended selective service act.

In response to inquiries on this subject, the following statement was authorized:

"Persons regularly so employed are entitled to present claims to the district boards for deferred classification on the ground that they are persons engaged in occupation found to be necessary to the maintenance of the national interest during the emergency. Persons so claiming deferred classification must be prepared to present to district boards (1) proofs of their claims set forth, and (2) proof that they themselves are necessary to the operation of the particular enterprise in which they are engaged. Such claim should be noted on the questionnaire in accordance with the directions given for the insert relating to the presentation of claims for deferred classification on the ground of being engaged in industries, etc."

### TRAIN CREWS EXONERATED

SPRINGFIELD, Mo., Sept. 19.—The train crews of both the freight train and the troops train which were wrecked near Marshfield in a head-on collision Tuesday night, today were exonerated by the coroner's jury sitting at Marshfield. Eleven soldiers were killed in the wreck.

## DAIRY DAY IS MADE IMPORTANT

### Need of Produce Conservation to Be Pressed Home at State Fair

"Dairy day," next Tuesday will be one of the interesting features at the state fair, made so in view of the fact that the whole country is becoming aroused to the seriousness of the dairy situation. It is the aim of the committee planning the day to bring before the people of the state the great value of milk as a food and the importance of keeping the dairy herds of Oregon together.

"The short-sighted policy of cutting down on the milk supply and killing the dairy herds won't go in Oregon," says Professor P. M. Brandt of O.A.C., who is chairman of the exhibit committee. For Tuesday evening Dr. E. J. Labbe has been engaged to give an address. Dr. Labbe returned from Europe recently and he had first hand experience in caring for Belgian refugees. The fact that he saw how readily they responded to milk diet makes his plea for milk all the more sincere. He is a physician, specialist and patriot.

"In Europe the report many months ago showed that 114,000,000 head of cattle had been sacrificed to war," said the professor. "This sacrifice must not go on here, too. If so, what will become of the race? These questions are being considered by the food administration, and the bureau of health, the state dairy and food commission and Oregon Agricultural college and they are behind the movement for the dairy educational campaign and dairy day."

Mrs. Edith Knight Holmes, who is in general charge of the educational campaign was one of the speakers Wednesday at the meeting of the State Federation of Women's clubs in Portland. She urged the club women to cooperate to encourage a greater use of milk and to stand by the dairy interests so that the dairy-men will not be disposed to kill their cows even though feed and labor are high and scarce.

The dairy educational campaign has received the indorsement of the schools of Portland, the federated clubs, the women's committee of the council of defense and many other influential bodies. Miss Matty Beatty of Salem was a delegate to the convention. She is vice president and is being mentioned for the presidency, although there will be no election until next year.

### "Dummy" Directors Said to Be Part of Alleged Fraud

NEW YORK, Sept. 19.—Formation of a company with "dummy" directors, to handle army railroad con-

### To Relieve Catarrh, Catarrhal Deafness And Head Noises

Persons suffering from catarrh of the ear, who are growing deaf, or hearing and have head noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed. Sufferers who can scarcely hear have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer from total deafness. The prescription can be prepared at home and is made as follows: Secure from your druggist 1 oz. Eumark (Double Strength). Take this home and add to it a pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. Eumark is used in this way not only to reduce by tonics the inflammation and swelling in the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretion in the middle ear, and the results it gives are nearly always quick and effective. Every person who has catarrh in any form, or distressing rumbling, hissing sounds in their ears, should give this recipe a trial. Capital Drug Store.

## Cherry City Baking Co.

tracts alleged to have been obtained through fraud practiced by Captain Aubrey W. Vaughn and Felix Goulded, was described in the federal court today. At the trial for conspiracy of Vaughn, former director of the division of supply of the quartermaster corps, Goulded, a promoter, and David L. Podell, a lawyer, Harry Rosenfield, a manufacturer, told of the incorporation by Podell of the concern which he testified was intended to conceal his profit sharing arrangement with Goulded and a "slush fund" which was to have paid Vaughn five per cent on all business he procured.

Admitting that a complaint to the department of justice prompted a raid on Goulded's office and seizure of records which led to the present prosecution, Rosenfield said, he had revealed his connection with the alleged conspiracy, when Goulded's promises of government contracts failed to materialize. The witness also declared that while on the way with Goulded to the New York office of the quartermaster corps, the promoter showed him \$1000, which he said was "going to people higher up."

### All in Readiness for Big Great Lakes Athletic Co

CHICAGO, Sept. 19.—Athletes representing the Meadowbrook Athletic club of Philadelphia, the Chicago Athletic association, the Great Lakes naval training station, Illinois Athletic club, and the Pelham Bay naval station were the favorites tonight to win the premier honors in the junior event of the National A. A. U. outdoor track and field championships which open tomorrow at the Great Lakes naval training station. The junior championships will furnish the curtain raiser for the three days' carnival, which has attracted the pick of the athletic manhood of the nation. Fully 75 per cent of the men represent army and navy camps throughout the country. Thirty or more universities and athletic clubs also have men in competition.

### Lost Mount Angel Priest Arrives at The Dalles

MT. ANGEL, Or., Sept. 19.—Word was received here last night from The Dalles that Father Othmayer, O.S.B., of St. Benedict's abbey, who strayed away from Tufa heights on August 20 and for whom the entire community had searched the hills in vain several weeks ago, had safely reached the Catholic parsonage in that city, with his clothing somewhat tattered but otherwise entirely well.

County Chairman F. G. Deckebach will be at Mt. Angel Saturday night at 7:30 to lay out before the local fourth liberty loan committee the plans and other details of the coming drive.

There will be a meeting at Scotts Mills on Monday evening working along the same lines.

### AUBURN PERSONALS.

AUBURN, Or., Sept. 19.—Dave Terry and family are picking prunes at the O. E. Fry orchard at Summit in Polk county.

Mrs. Anna Lewis was a week-end visitor with her daughter Mrs. Clyde

Winnemette of Newberg. W. McKinney and family spent Sunday and Monday in Stayton. Gail Williams finished filling his silo Friday. Mrs. E. T. Rhodes and Miss Loraine Winrich of Raymond, Wash., are visiting at the W. H. Sneed home. Mrs. Rhodes is a sister of Mrs. Sneed. Mrs. Rhodes and Miss Winrich have spent the past week in the southern part of the state visiting friends. Mrs. Anna Lewis left Tuesday for Fort Barry, Calif., where she will spend several months with her daughter, Mrs. Ada Fox.

### Lieutenant Allen Weds Before Going Overseas

Wilford Allen, member of the state accident commission, has received information of the marriage of his son Lieutenant Niel Richardson Allen, to Miss Evelyn Marie Carey, which took place at Palo Alto, Calif., recently. The romance began while both were students at Stanford university. Lieutenant Allen is with the 8th Infantry at Camp Fremont and has received orders to prepare for overseas service.

### LARGE CREDIT TO ITALY.

WASHINGTON, Sept. 19.—Extension of an additional credit of \$100,000,000 to Italy was announced today by the treasury bringing the total credits advanced to that nation up to \$550,000,000 and the total credits to the allies to \$7,292,706,666.

## HOW THIS NERVOUS WOMAN GOT WELL

Told by Herself. Her Sincerity Should Convince Others.

Christopher, Ill.—"For four years I suffered from irregularities, weakness, nervousness, and was in a run down condition. Two of our best doctors failed to do me any good. I heard so much about what Lydia E. Pinkham's Vegetable Compound had done for others, I tried it and was cured. I am no longer nervous, am regular, and in excellent health. I believe the Compound will cure any female trouble."—Mrs. ALICE HELLES, Christopher, Ill.

Nervousness is often a symptom of weakness or some functional derangement, which may be overcome by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, as thousands of women have found by experience. If complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for suggestions in regard to your ailment. The result of its long experience is at your service.

## Lemon Juice For Freckles

Great! Make beauty lotion at home for a few cents. Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost. Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

## FALL SEEDS

Now is the time to buy your supply of Seed Grain, including re-cleaned Grey Oats, Fall Wheat, Re-cleaned Rye, Chest Seed and Grass and Clover Seed.

It will pay you to buy now and have your seed ready, as later on you may have trouble in securing proper seed stock as all crops are very short and some seeds will not be obtainable at any price later on.

### MILL RUN

Can still supply the new mill feed, Mill run, in ton lots or less.

This is the cheapest on the market and from indications is going to be very scarce before long. Buy now and have it on hand.

Also, complete stock of poultry foods of all kinds.
