FINAL APPEAL BY MR TOOZE

Republicans Are Urged to Rally to Support of Party Nominees.

Republicans, one and all, rally to the aggressive support of Sam H. Brown and Louis Lachmund, now the regular nominees, for state senator on the Republican ticket. Remember that Sam H. Brown represents W. Al Jones, who died yesterday morning.

Stand by Governor Withycombe, our most loyal of loyal war governors, in this nation, and who has proudly and efficiently stood by your sons, and mine, on the battle line in France. With pride you will cast your vote for him and for our own Marion county son Hon. Charles L. McNary who has stood like a granite wall behind our brave soldiers and for every war measure asked for by the government.

Hawley has never faltered in his support of the government during the war, and Salem is his home. These candidates whom our opponents would politically destroy are entitled to the universal support of the electorate of Marion county and the state. Strike, Abraham Lincoln Republicans, and strike hard on November 5, 1918, with your priceless and incorruptible ballots that these noble representatives of the Republican party shall know that while they are doing their duty to the fullest extent at Washington and in Oregon—the electors, are giving to them our undivided, active and loyal support.

WALTER LINCOLN TOOZE, Chairman Marion County Republican Central Committee.

ROYAL PALACE OF KAISER HIT BY MOB
(Continued from page 1)

Many public demonstrations of brotherly feeling are occurring. Troops sent by the national council have liberated troops which were locked in barracks by the gendarmes. Lettner, who recently attempted to kill Count Tiza and who was arrested early in October, has been set free by a mob who raided the prison. Vienna grain reserves are virtually exhausted. According to a Zurich dispatch to the Exchange Telegraph company, Vienna has only three days' flour supplies.

Mothers!

Your little one won't smile if its liver's full of bile! Cascarets set things right! When kiddies' tongues turn white they bring relief and joy! To constipated girl or boy. Children think them dandy! They are mild cathartic candy.

Children gladly take Cascarets when cross, feverish, bilious, constipated, because Cascarets taste like candy. If your child has a tainted breath, coated tongue or a cold—give Cascarets as directed on each 10 cent box. Then don't worry. Cascarets work like a charm and can not harm the child's tender little stomach, liver and bowels.

Proposed Tax

20% on Tailored Suits

There is a bill pending that puts a tax of 20 per cent on men's suits costing over \$50. But you can place your order now and save the additional expense. You can buy all wool tailored suits of me for less than you are asked to pay for shoddy or reworked wool clothes ready to wear. I have many materials that I am making up at practically old prices. If I had to go into the open markets and buy I would be forced to quit business, as the prices are out of the question. I can still make men's suits from \$35 up. Ladies' serge suits, \$60 and up.

hasten the decision has been done and well done. All that is needed is to go on.

"Two weeks ago I was with your soldiers. By a bond of perfect brotherhood united to their French and English comrades with whom, since March last, they have, right and day, been fighting. One single army on the single front. This has been the secret of our victory.

"This unity is the most precious of our possessions. Let us eagerly hold it in view of the conclusion of peace. Let us hold to it for the material and moral reconstruction of a bleeding world."

SAM H. BROWN CHOICE
(Continued from page 1.)

"Hon. W. Al Jones, one of your Republican candidates for state senator for Marion county, has been called by death, much to the grief of the entire community and people of the county. The law of Oregon, in such cases, provides that the county central committee shall nominate a candidate to fill the vacancy thus created, and in accordance therewith Hon. Sam H. Brown, 'the Gervais Farmer,' has been named by the committee for that purpose, and has consented to make the run at a great sacrifice to himself, but with his usual readiness to answer the call of the people.

"Sam H. Brown has served the people of Marion county faithfully and will in the state legislature. His honesty is a household belief wherever he is known. His ability in all lines of business and all lines of thought is acknowledged universally. He is a man of the people, a worker, a farmer, a producer, a tax-payer—just the kind of a man to protect their interests, financially and otherwise.

"Mr. Brown has been at the head of the Red Cross and every other patriotic movement in his neighborhood since the war began and his purse has been open for every such cause. He ought to be elected by a practically unanimous Republican vote, but in order to bring about that result, the voter must take a little trouble.

"There are two senators to be elected and it will be necessary to vote for Louis Lachmund and Sam H. Brown. The names of W. Al Jones and Louis Lachmund appear as numbers 37 and 38, then there is a vacancy following No. 39 and in this vacant line the voter must write the name Sam H. Brown and place a cross before it. The name of W. Al Jones must be skipped, as a vote for him cannot be counted.

"The central committee begs that every Republican do his plain duty in this case. Not only should each one see that his own vote is right, but also that his neighbor is properly posted on the method of voting correctly."
