How to Hooverize your Thanksgiving Dinner

TWO thoughts run hand in hand today throughout every village, city and town in this great land of ours. Every heart that's striving for victory wonders if it is patriotic to celebrate the day of Thanksgiving in the good old fashioned way. These patriotic merchants have answered the question for you. They have made up special prices for carry home purchasers. The old market basket is a symbol of sincere patriotism. Get yours today and let these merchants show you that your Thanksgiving table this year need not delay the coming of the GREAT THANKSGIVING DAY, when our boys turn their faces homeward in Victory.
