BILL EXTENDS BANK'S RIGHTS

Senate Passes Measure Con-
veying Greater Authority
to Small Institutions

The following bills were passed
by the senate yesterday:

S. B. 150—Banks: To amend section 4576, L. O. L., as amended by section 8, chapter 285, laws of 1915, and providing that state banks having capital of not less than \$100,000 may acquire stock in trust companies and that state banks, with the consent of the banking departments, and on similar terms as are granted to national banks under the national banking act and the regulations controlling the federal reserve banking system may acquire stock in any banking or financial corporation.

YOU KNOW, BUT SOMETIMES FORGET

Everybody knows an imitation is never so good as the genuine article. Foley's Honey and Tar stands at the top of the list of family remedies for colds, croup, whooping cough, bronchial and grippe coughs. W. L. Anglin, Antloch, La., writes: "I have used Foley's Honey and Tar 15 years. It is the best." J. C. Perry.

SERVICE IS OPPOSED

HAVANA, Cuba, Feb. 14.—Obit-
gatory military service, always bitterly
opposed by the majority of Cuban
citizens of all classes and
ages, is now a thing of the past in
this republic.

A bill passed by congress repeals
the military service law which made
military service compulsory on the
part of all male citizens of ages 21
to 28, inclusive and does away with
the office of provost general. The
measure also grants amnesty to all
Cubans of military age who fraudu-
lently evaded military service, as
well as to their accomplices.

The monthly wage of the line soldier
is fixed at \$30.

Special Election Is Provided in Measure

Provision for a special election
is made in a bill introduced yester-
day by Senator Eddy. It would sub-
mit to the people all measures passed
by the present legislative assembly,
which have referendum clauses
attached, and also all measures pro-
posing amendments to the constitution.
To defray expenses necessitated
by carrying into effect the provisions
of the act an appropriation of
\$15,000 is called for. An emergency
clause is attached to the bill.

LIFT OFF CORNS!

Apply few drops then lift sore,
touchy corns off with
fingers—No pain!

Doesn't hurt a bit! Drop a little
Frezzone on an aching corn, instan-
tly that corn stops hurting, then you
lift it right out. Yes, magic!
A tiny bottle of Freezone costs but
a few cents at any drug store, but
is sufficient to remove every hard
corn, soft corn, or corn between the
toes, and the calluses, without sore-
ness or irritation.
Frezzone is the sensational dis-
covery of a Cincinnati genius. It is
wonderful.

Sculptor, Who Chiselled Statue of Liberty Head, Is Still at Work at 78

EDOUARD LA FONGE

At the age of 78 Edouard la
Fonge, who chiselled the head of
the Statue of Liberty that stands in
New York harbor, continues his
work. He is living modestly but
comfortably at Ferrieres, France. He
is seen here dressed as he was when
he consented to be photographed re-
cently in his studio.

Cataract is an excessive secretion,
accompanied with a chronic inflam-
mation, from the mucous mem-
brane. Hood's Sarsaparilla acts on
the mucous membrane through the
blood, reduces inflammation, estab-
lishes healthy action, and radically
cures all cases of cataract.

Many Parents Respond to Re-
quest to Send in Names of
Men Lost in Service

In response to The Statesman's
published appeal to parents of sol-
diers and sailors who lost their lives
in the service to notify the paper of
such casualties the honor roll is
gradually growing. An accurate list
of these names and information con-
cerning them will be invaluable and
information concerning gold service

ties should be sent in as soon as pos-
sible.

The following are the names of
those from Polk and Marion counties
