## SOCIETY

Last Wednesday evening the lodge rooms in the Masonic temple the Woman's Benefit association of the Macabees held their business meeting and installation of officers. Mrs. Kaia Smart acted as installing officer, being assisted by Mrs. May Shank, lady of ceremonies, and Mrs. Carrie Holman, chaplain. A special service during the meet-

ing was the draping of the chariot ceremony in honor of Mrs. Peter Hansen, whose death resulted from an automobile accident two weeks ago.

A message telling of the death of Harold Aydelotte, the only son of Mrs. Minnie Aydelotte, deputy supreme commander of Oregon and great commander of California, was read and messages of sympathy were forwarded to the bereaved mother. Mrs. Aydelotte is prominent all over the Pacific coast, having been engaged in club work for many years. It is of interest to note that she is an aunt of the popular fiction writer, Harold Bell Wright, of whom it is thought by local Macabees, her son was a namesake.

Officers installed were: commander, Mrs. Lillian Olmstead; past commander, Mrs. Kaia Smart; lieutenant commander, Mrs. Ida McPanels; record keeper, Mrs. Jennie Miller; financial auditor, Mrs. Caroline Bushnell; chaplain, Mrs. Carrie Holman; lady-at-arms, Mrs. May Shank; ser-

geant, Mrs. Hazel Mewgent; sentinel, Mrs. Alice Budlong; picket, Mrs. A. Patterson; musician, Miss Opal McDaniel. Mrs. May Shank was made a committee of one to act as press correspondent.

The Live Wires of Leslie Methodist church met Saturday evening with Mr. and Mrs. A. F. Beadley, of Kelzer, for their monthly business and social evening. Preceding the business meeting a picnic supper was enjoyed. The election of officers was the principal business taken up, resulting as follows: President, Leslie Springer; first vice-president, Miss Bertha Miller; second vice-president, Floyd McIntire; secretary, Miss Helen Ingram; treasurer, Miss Dorsey.

The sixth annual Oregon state conference of the Daughters of the American Revolution will be held in Portland on Tuesday and Wednesday of this week at the Hotel Multnomah. The president general, Mrs. George Thatcher, will attend the council, accompanied by Mrs. James N. Fowle, librarian general, and Mrs. Frank Dexter Ellison, state regent of Massachusetts.

Invitations have been issued for a luncheon on Tuesday noon to the president general, national officers, state regent, honorary state regent, state officers, state regents, chairman of state committees at the University club. The hostesses will be Mrs. John A. Keating, regent of the Multnomah chapter, and Mrs. Esther Allen Jones, regent of the Willamette chapter.

Tuesday afternoon will be marked by addresses by the president general, the librarian general, and the Massachusetts state regent and reports of the committees and chapter regents.

Tuesday evening there will be a short session followed by an informal reception. Wednesday noon will be the official conference luncheon at the Hotel Multnomah.

Delegates who have been elected from the Salem chapter are Mrs. Seymour Jones, Mrs. Russell Catlin, Mrs. Homer Gouley, Mrs. J. W. Woodruff and Mrs. U. G. Shipley. Sunday, the birthday of Washington will be celebrated with a community program at the armory at 2:30 in the afternoon. The patriotic organizations of the town have been invited to attend in a body. A feature in the program will be an address by Judge V. A. Johns. The public is invited.

The LaArca club will meet tomorrow night with Miss Marion Miller at 269 Marion street.

A musical treat was given to the patrons of the auto show Wednesday and Friday evenings. An unusual feature of the opening night was the ensemble of 30 violins composed of students of Miss Elizabeth Dovy. This feature received much praise for their excellent work.

Mrs. Sabine Bent Hofer pleased in her usual manner with several vocal selections.

Friday evening was marked by the singing of the high school girls chorus under the capable direction of Miss Lena Belle Tartar. Hearty applause greeted Miss Elizabeth Levy who responded to the demands of the audience with several encores.

Genevieve Barbour, star child dancer, gave the "Joys of Spring" and a Spanish dance.

Russell Morgan, the singing sailor, delighted with his songs. Mr. and Mrs. Carl Reuf (Florence Elizabeth Nichols), whose wedding was a recent event, were honor guests of C. B. Clancey at a dinner Friday evening. The table was beautiful with a large centerpiece of ferns, white carnations, and narcissus tied with illusion. In the center of this were two large red satin hearts. About the table were raffles, the shades decorated with hearts and above were large white wedding bells. Those who were included in Mr. Clancey's hospitality were: Mr. and Mrs. Carl Reuf, Mr. and Mrs. W.

H. Dancy, Mr. and Mrs. Robert Paulins, Mr. and Mrs. F. H. Choate, Miss Marie Schwab, Miss Nellie Schwab, and Albert Egan.

Mr. and Mrs. J. H. Kiesel, of Portland, have been visitors in town for several days. Mr. Kiesel represents the Miller Chemical company, of Cleveland, Ohio. Mrs. Kiesel is a girlhood friend of Mrs. Leland W. Porter and spent much of her time while in Salem at the Porter home on Center street.

Mrs. N. A. Newman has gone to San Francisco to join her husband, who is manager of the F. W. Woolworth store in that city. The departure of these residents is causing regret to many people in Salem.

Around a prettily appointed dinner table, the centerpiece of which was a large bouquet of brilliant carnations, Miss Jessie Key entertained a few friends Friday evening. The remainder of the evening was spent in dancing.

Those enjoying Miss Key's hospitality were Junette Jones, Marion Brager, Malcolm Smith, George Shanafelt and Max Cartheu. About 50 little children enjoyed Mrs. Ralph White's masquerade dancing party at Cotillion hall yesterday afternoon. The room was attractively decorated with white streamers from which red hearts were hung and in the center there was a pretty basket of pussy willows. Each little guest received valentines.

At 5:30 Friday evening the girls of Lausanne hall sat down to their Valentine's dinner in a room decorated with red cupid, hearts, and crepe paper. Places were marked by cupid favors. After the dinner Valentine games were enjoyed in the parlors.

Hazel and Darwin George were hosts to a number of their young friends for a gay dancing party at the home of Mr. and Mrs. George Will Friday night. Hearts and red streamers from the center of the room made charming decoration, and the refreshments carried out the valentine sentiment.

Guests were Genevieve Campbell, Virginia Dorcas, Janet Plimpton, Gladys Albin, Shermaga Plimpton, Vernon Peery, Eugene Kennedy, Chester Gurtz, and Alvin Kurtz. The

young hosts were assisted in entertaining by Misses Ophal and Pearl George.

### BIG CHEESE FACTORY.

A hundred-thousand-dollar cheese factory is being built in Tulare county, California. Over 50,000 pounds of whole milk will be received daily, the contract price being 10 cents above the butterfat quotation. Milk sugar and casein will be made also.

### IF BACKACHY OR KIDNEYS BOTHER

Eat less meat, also take glass of Salts before eating breakfast

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a sic person shortly. At first you'll feel a dull misery in the kidney region, you suffer from headache, dizziness, stomach gets sour, tongue coated, and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

## BICYCLES

### BICYCLE SUPPLIES

You will find the wheel you want at

## How Those Who Know

Light and Moderately Priced with Costly Car Qualities

## Describe the Essex

Those who have seen and ridden in the Essex understand why everyone is so enthusiastic over it.

There has been a veritable burst of approval for the Essex from motorists who have heretofore confined their interest to one or the other of the two general types of cars.

The user of the light cheap car sees in the Essex a new standard of comfort and endurance. He recognizes that at a moderate price he at last can get economical motor car service that is enduring. He sees much in the Essex to admire and be proud of instead of apologetic, for it has the beauty and refinement that distinguishes many large and costly cars.

### The In-Between Car

The Essex, as everyone recognizes, combines many of the wanted qualities of both the cheap light car and also of the large costly car.

It is light, yet as comfortable and easy riding as the large heavy car. It is small, but it also is capable of performance in the way of acceleration, hill climbing and speed that few larger and costlier cars are capable of showing.

The Essex is moderately priced, but it is rich in detail of beauty and finish. It awakens the pride of ownership.

## VALLEY MOTOR COMPANY

227 State Street

ELBERT THOMPSON, Mgr.

**Have You Not Noticed It?**  
We have attempted no description of the Essex. We have said it would speak for itself and so it has. People are talking about it. In their descriptions they make comparisons. They say it is light in weight like such and such a car, referring to cars of similar weight and price.

But when they speak of Essex performance or of its appearance, comparisons are made to larger and costlier cars. They say it is speedier than this one, and that it rides as easy as another, and that it pulls the hills like —, and stands up like —, always mentioning cars that are distinguished in such particulars and which cost a great deal more to buy and to operate.

### Only One Out of Three to Get Them

Present indications point to three buyers for each Essex that will be built this year. Ask those who have seen and ridden in the Essex and you will realize how strongly it is esteemed. Orders are being booked faster than cars can be built though factory production grows greater every day.

Maybe you will be one of the fortunate to get an Essex. Delay will place you with the thousands who will not be able to get an Essex this year. The question will be decided by your promptness.
