IF BACKACHY OR KIDNEYS BOTHER

Eat less meat, also take glass of Salts before eating Breakfast.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy: the bladder is irritated, and you may be obliged to seek relief two or hree times during the night. When he kidneys clog you must help flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the idney region, you suffer from bachche, sick headache, dizziness, stomch gets sour., tongue coated and you eel rheumatic twinges when the

eather is bad. Eat less meat, drink lots of water: so get from any pharmacist four ances of Jad Salts; take a tablepoonful in a glass of water before reakfast for a few days and your idneys will then act fine. This fanous salts is made from the acid grapes and lemon juice, combined ith lithia, and has been used for enerations to clean clogged kidneys and stimulate them to normal actiity, also to neutralize the acids in rine, so it is no longer a source of ritation, thus ending bladder weak-

Jad Salts is inexpensive, cannot inare, makes a delightful effervescent thia-water drink which everyone hould take now and then to keep e kidneys clean and active. Drugists here say they sell lots of Jad alts to folks who believe in overming kidney trouble while it is nly trouble.

ANOTHER REMARKABLE CURE OF CANCER

Dr. Stone cures where other Doctors fail. Prominent Salem Woman Recommends his work.

Salem, Ore., Mar. 18, 1919. To Whom This May Concern:

This is to certify that I had a cancer on my chin about the size of a 25-cent piece for six years and was treated by two doctors for four years but they failed to cure it.

I then decided to try Dr. Stone who commenced treatment on the 5th of February, 1919, by applying a liquid every two or three hours for about a week and then applying a simple ointment.

In about a week the cancer fell out and in a few days the place was all heated up to my great satisfac-

I can truly recommend Dr. Stone and his treatment to any person afflicted with cancer or cancer growth. (Signed) Mrs. Flora Richardson, 694 South 25th St., Salem, Orc.

THAT MAN HAS BACKBONE

The frequency of the above expression shows that every one appreciates the importance of the backbone-It's the "communication trench" from the brain to the organs of the body. " If it is in perfect condition the nerves carry the brain messages to all the organs

of the body and perfect health is the result. If the backbone is out of position; that is, if the vertebrae are not in proper position and adjustment is necessary. Chiropractors make the necessary adjustment by the simple "laying on the hands." They use no drugs or electricity.
