Start Tomorrow and Keep It Up Every Morning

Get in the habit of drinking a glass of hot water before breakfast.

We're not here long, so let's make our stay agreeable. Let us live well, eat well, digest well, work well, sleep well, and look well. What a glorious condition to attain, and yet, how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast.

The millions of people who are bothered with constipation, bilious spells, stomach trouble; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of inside-bathing before breakfast.

Numerous Improvements Made in Liberty Section

The people of the Liberty district south of Salem are looking forward to a more convenient and modern method of living due largely to the fact that within the near future there will be a paved road extending through the district, as work is progressing with the grading and laying of roadbed. To those who have traveled the old road it holds as many horrors as "No man's land" with its muck and craters. About the only thing missing is the shell-fire.

The new road will not only assist the grower in handling his produce but should help to bring him more in touch with the city people, it is asserted. Also electric lights have been installed throughout the district, the power extended from Salem. This will be of great service to the many driers, which run between 20 and 40 nights each year. For the past 18 months the district has been without a store, having to depend largely on Salem as the nearest point of trade, but this obstacle is being removed by R. D. Gibson, a prominent grower, who will open about April 3, a grocery store in connection with hay and feed. His son-in-law, B. L. Birch, will be manager.

IN A SOCIAL WAY

By DORRIS LEAH SIKES

THE Country Club house was the scene of a gay gathering Saturday night when members of the Octo club and eight of their friends enjoyed an informal dancing party in honor of Allan Jones and Frank Durbin, two members who have been in the service. Patronesses for the dance were Mrs. Madge Lovelace and Mrs. Homer Smith.

The Octo club was organized a number of years ago among several boy friends. One member, Franklin Miller, is still in France. Guests of the club and the members were Misses Irene Curtis, Olga Gray, Esther Bush, Ila Spaulding, Clara Brettestein, Gertrude East, Bernice Craig, Marie Marshall, Allan Jones, Frank Durbin, George Croisan, Lewis Griffith, Claud Steusloff, Hugh Kyle, Orris Fry, and Fred Deckebach.

Mrs. Earl Flegel (Barbara Steiner) will leave the latter part of the week for New York to join her husband, Lieutenant Flegel, who is at Camp Mills with Company H of the 13th infantry. Mrs. Flegel plans to remain in the east until her husband is released from service.

Honoring her house guest, Mrs. F. C. Elliott, of Seattle, Mrs. Ralph Johnson entertained a few friends at a card and dancing party Monday night. Pink shades for the lights and bouquets of spring flowers made pretty decorations and in the dining room the tables were centered with bowls of magnolias. Dancing, cards, and music, the latter by Professor T. S. Roberts and Mrs. J. H. Walker, pianists, and Mrs. Clifford Ross, violinist, furnished entertainment for the evening.

Mrs. Johnson's guests were Mr. and Mrs. J. H. Walker, Prof. and Mrs. T. S. Roberts, Mr. and Mrs. Robert Craig, Mr. and Mrs. Ray Cooper, Mr. and Mrs. Clifford Ross, Mr. and Mrs. Frank Spears, Mr. and Mrs. Roy Wise, Mrs. F. C. Elliott, Miss Dorothy Donaldson, Miss Phyllis Walker, Miss Muriel Grant, Harvey Wells, Richard Ferrell, Seattle, George Nelson, and Herbert Scott.

Mrs. Elliott left Tuesday morning for home.

At the home of the bride's parents, Mr. and Mrs. Robert A. Witzel, 415 North Cottage street, Saturday night, Gertie Witzel became the bride of Frank H. Struble, Rev. G. F. Holt officiating. Only the immediate relatives of the bride witnessed the ceremony, following which the young couple went at once to the apartment prepared for them in the Hubbard building. Both are employed in the bridge department of the state highway commission.

Mrs. U. G. Boyer will entertain the Women's Home Missionary society at her home at 435 North Winter street at 2 o'clock this afternoon. All members and friends are welcome to the meeting.
