GENERAL FOCH BEARS MESSAGE

Confers With Herr Erzberger at the Spa--German Deeply Moved

SPA, April 3.—(Havas)—Marshal Foch arrived in Spa at 8:30 o'clock this morning and immediately informed Matthias Erzberger, head of the German armistice commission, that he would confer with him in his private car at 9:30 o'clock. The conference took place at the appointed time in the presence of Major General Weyand, assistant to Marshal Foch and a French interpreter and lasted forty minutes. Marshal Foch led before Herr Erzberger the decisions of the conference hurriedly returned to his train. He appeared deeply moved. After a conference of one hour with General Baron von Hammerstein, a member of the German armistice commission, and his technical advisers, Erzberger returned to the hotel where the German members of the armistice commission were lodged. The populace acclaimed Marshal Foch on his arrival in Spa. During the day the marshal visited General Nudant, his representative in Spa.

SHORTAGE OF FOOD

(Continued from Page 1)

meat distribution of bread was slightly over five pounds a week, but was still functioning efficiently. Otherwise the rationing machinery had largely broken down, either on account of exhaustion of supplies or inability of a weak government to enforce the purchasing regulations which had been beyond the power of a strong war government. The ration, even on paper, was inadequate to maintain the working ability of people weakened by four years of food privation. Everyone, rich and poor, bought what supplies could be obtained outside the rations at enormous prices.

Day's Wage for Meat.

The workmen, earning his imposing thirty or forty marks per day, had been spending a day's wages for a pound of lard, pork or beef. The more unfortunate middle class man, on a fixed salary, was unable to finance such luxury except on the rarest occasion. Both of these classes at the end of March found that, even at such exorbitant prices, nothing was to be obtained. Restaurants, which earlier had catered to customers with money and had furnished them with food, without the presentation of a card, were being forced to obey the law. The long wait for the decision of the peace conference and the press reports from time to time of decisions adverse to Germany had produced a very pessimistic element, and, just as the government representatives talked of refusing to sign a humili-

THAT CHANGE IN WOMAN'S LIFE

Mrs. Godden Tells How It May be Passed in Safety and Comfort.

Fremont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared." Mrs. M. GODDEN, 925 Napoleon St., Fremont, Ohio.

Such annoying symptoms as heat flashes, nervousness, backache, headache, irritability and "the blues," may be speedily overcome and the system restored to normal conditions by this famous root and herb remedy Lydia E. Pinkham's Vegetable Compound. If any complications present themselves write the Pinkham Medicine Co., Lynn, Mass., for suggestions how to overcome them. The result of forty years experience is at your service and your letter held in strict confidence.

ating treaty, so many publicists and men in various walks of life had begun to argue the advisability of entering over the west and coming to an understanding with Bolshevik Russia.

This sentiment, when coming from those of the better classes, was undoubtedly voiced largely for foreign consumption. An alliance with Russia and Bolshevism, however, is a plank in the plan of the independent socialists in their big drive for power and is a cardinal precept of the propaganda of the Spartacus, who are so largely financed by Russian money that the government early in March introduced special emergency legislation to prohibit the importation and circulation of Russian currency.

FRECKLES

Now is the Time to Get Rid of These Ugly Spots.

There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots. Simply get an ounce of Othine—double strength from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful, clear complexion.

Be sure to ask for the double strength Othine as this is sold under guarantee of money back if it fails to remove freckles.

STRIKE IS CHECKED

(Continued from Page 1)

morning. The damage from plundering is estimated to aggregate several million marks.

More Expected to Join

COPENHAGEN, April 3.—Dispatches received here say that the strike in the Ruhr district of Germany has unexpectedly spread extensively, and that it now includes the Krupp works and that 120,000 persons are involved.

The dispatch adds that the workers in the Hamborn, Rhennish Prussia district, were expected to join in the strike today.

At a meeting of delegates in the central Ruhr coal region, according to the advices from Berlin, it was resolved to cease after the tenth of April keeping the pumps in operation and that therefore the flooding of the mines must be reckoned with.

Mate Thrown Overboard Off Cape Horn by Officer

SEATTLE, Wash., April 3.—Fred Hansen, 42, former first mate of the schooner *Robert West*, was arrested today by a United States deputy marshal and charged with the murder of Charles Hagner, second mate of the schooner, during a voyage to Durban, Natal. The information under which the arrest was made charges Hansen with having thrown Hagner overboard from the ship off Cape Horn on May 31, 1918. Arrest was made on information supplied by federal officials in San Francisco. After Hansen's death, it is said, the entire crew left the schooner at Durban refusing to sail with Hansen, who later is said to have gone to Japan.

Floral Exchange Day Is Only Moderate Success

The exchange day of the Salem Floral society which yesterday did not prove the success that was anticipated because of the rain. During the morning there was a large number of plants exchanged by the women of the society who were on duty at the stand at State and Liberty street but during the afternoon the calls were less numerous. It is planned to hold another exchange day in the near future, probably in about two weeks, in an effort to stimulate greater interest in floral culture in Salem.

ANTI-JAP BILL IS SET ASIDE

California Legislature Decides to Defer Action on Alien Land Measure

SACRAMENTO, Calif., April 3.—The state senate voted today to defer action on proposed anti-Japanese legislation pending the receipt of advices from Paris as to whether the introduction or enactment of bills on the subject would, at this time, embarrass the representatives of the United States at the peace conference. The discussion in the senate resulted in a movement being started in the assembly to amend an alien land bill before the judiciary committee of the lower house to incorporate the provisions of the senate bill which proposes to prohibit Japanese from leasing agricultural lands in California.

A joint resolution urging the American peace delegates to oppose Japan's proposal for free immigration was placed before the senate today by the federal relations committee after it had eliminated a phrase to the effect that free entry of Orientals along the Pacific coast would "destroy or exterminate the white race." The senate also denied to Senator Duncan the right to introduce a bill to prevent recognition in California of "Japanese picture bride" marriages.

EXPENDITURE

(Continued from Page 1)

penditures down to this total. "The next congress," said Mr. Good in his statement, "will be brought face to face with the many new and intricate problems and many of them will call for large expenditures of money. It is impossible to estimate what expenses will be involved in the future in the administration of the railroads, operation of our merchant marine, the war risk insurance payments and to provide homesteads for our soldiers."

"While difficult to make a reliable forecast as to what the expenses of the government will be for the fiscal year ending June 30, 1921, it is reasonably safe to assume that the executive departments will most earnestly urge appropriations at least as large as those appropriated for the fiscal year ending June 30, 1920, for such appropriations were made to administer these departments on a peace basis. If we assume, however, that both the military and naval departments will be greatly reduced and that our standing army will be limited to 250,000 men, it will re-

YES! THE BOYS SHOES

Have arrived and they are dandies.

They look fine and wear fine, too. The Hamisson and the Clark's Boys' shoes. They come in--

Chocolate Calf English, lace
Chocolate Brown, round toe, blucher
Black Velour Calf, English, lace

Black Kangaroo Calf Blucher
Brown Chrome Army last, both welt and nailed

Prices range from \$4.75 down to \$2.95.

The biggest and best line of Boys' shoes in the city.

The Bootery

quire rather strict economy to bring the regular annual supply bills under \$2,150,000,000. To this must be added the permanent and indefinite appropriations of approximately \$1,650,000,000, or a grand total of more than \$3,800,000,000 necessary for the various government activities. It will require to exercise strict economy to hold the expenditures down to approximately these figures."

Mr. Good estimated that the appropriation made by congress for the war period and for the fiscal year ending June 30, 1920, totalled more than \$47,110,000,000. The revenue to meet these appropriations, he estimated at \$16,657,000,000 to be derived through customs receipts and income and other taxes and \$25,885,000,000 to be raised from the sale of bonds, notes and war savings stamps.

SHIP MEN WALK OUT PASCAGOULA, Miss., April 3.—Nearly 3,500 employes of the International Shipbuilding company went on strike here today. Union leaders said the walkout resulted from the company's refusal to treat with its employes on a new wage scale.

WE WANT 2000 TONS OF BEANS

"YOU DON'T KNOW BEANS" UNLESS YOU KNOW

BURPEES STRINGLESS GREEN POD VARIETY—The beans that will make Oregon dehydrated beans famous. We are introducing this wonderful stringless bean, of highest table quality, into the markets of the world.

ARE YOU READY, MR. FARMER, to do your part toward establishment and legume crops will restore them. Grow beans for the legume you are a fruit grower or grain raiser you will find this crop profitable and also

A GREAT SOIL BUILDER. The Willamette Valley has been endowed with marvellous opportunities for raising fruits and vegetables of the highest quality and that farmer who has a vision is quickly adjusting his crops accordingly. Grain farming will soon become a secondary enterprise, in fact many soils in the Willamette Valley are running out through continued grain cropping. Cultivating this industry in the Willamette Valley? No matter whether and they will pay better than grain.

LET EVERY FARMER PLANT BEANS whose soil is adapted. If unable to handle a large acreage grow at least an acre. We want beans this season and next, too, but beans this year is the paramount issue.

INTEREST YOUR BOYS AND GIRLS in growing beans. Let them care for the crop and share in profits.

WE DON'T REQUIRE "BABY BEANS," but take well developed pods, tender and brittle as picked for table use. This means easier picking and greater weight for the grower.

IF YOU ARE PLANTING BERRIES OR ORCHARDS this spring, plant beans between the rows. Their cultivation will be a big benefit to the berries and young trees, or if you intend planting these fruits next season there is nothing better than beans to put the soil in proper condition.

TWO BAD SEASONS, both exceedingly dry, have discouraged some who tried beans, but don't weaken, Mr. Farmer; the Willamette Valley always did grow fine crops of string beans and will grow them better than ever when you study their culture on a business basis.

USE FERTILIZER. It will greatly increase your yield and assist later crops. Intelligent fertilizing will determine in a large measure your success in farming. Ask us for information on proper kinds to use.

WE OFFER \$60.00 PER TON for beans F. O. B. our factory and will furnish containers. Send for any of the following free bulletins on culture: Beans, Carrots, Peas, Tomatoes, Spinach, and Cane Berries. All are written by practical men from actual experience. We supply seed at cost to our growers.

WE ARE IN THE MARKET FOR SEVERAL THOUSAND LOGANBERRY TIPS.
