

FIVE KILLED ON RUNAWAY TRAIN

Brakeman, Only Survivor, Is Saved by Jump Before Cars Left Rails

TACOMA, Wash., April 3.—Five men were killed and three perhaps fatally injured near Melbourne, Wash., this afternoon, when a logging train of the Clemens Logging company became unmanageable on a down grade and running away plunged from the rails into a ravine below.

The dead are: George Clemmons, son of the founder of the company and superintendent of the company. Walter Hawes, Aberdeen, Wash. C. A. Selby, Seattle.

William Cliff, Seattle. F. J. Yennie, Tacoma. The injured: W. H. Jones, Montesano, Wash. Fireman. John Boding, Montesano, engineer. Kinneer, address unknown, brakeman.

There was but one survivor, Alec Lemple of Montesano, a brakeman, who jumped before the train left the rails.

Baptist Church Services Increasing in Interest

The services at the First Baptist church have been growing in interest each night. Tuesday J. W. Troy of Portland, a trained gospel singer and chorus leader, came to take charge of the musical part of the service. This has added very much to the interest of the meetings. The chorus choir has increased to 25 voices. Evangelist Barner's messages are clear, well illustrated and full of fire and earnestness.

Crop Census Data Will Include All Products

Crop census blanks for the preparation of agricultural and horticultural statistics in Marion county have been received by County Assessor Ben F. West and will be used by the deputy assessors when they commence their work next week. The census is authorized by a bill passed by the legislature.

Data will be collected on the number of acres of winter wheat, spring wheat, oats, barley, rye, corn, clover, alfalfa, wild or marsh hay, other hay crops, potatoes, other root crops, field peas, field beans, other crops, the number of acres of bearing and non-bearing apples, cherries, peaches, pears, prunes, walnuts, the number of acres of loganberries, blackberries, and raspberries, strawberries and other nuts and fruits.

Marion County Sunday Schools Convene Today

Ninety-four Marion county Sunday schools will be represented at the annual Marion county Sunday school convention which will open at the First Christian church today and continue through tomorrow. More than 100 delegates are expected to be in the city for the session. The districts to be represented are Salem, Donald, Woodburn, Hayesville, Silverton, Stayton and Jefferson. Harold Humbert, general secretary of the State Sunday school association, will be the leader of the convention.

A. C. Bohrnstedt Presides Over Meeting in Eugene

EUGENE, Or., April 3.—Forty members of different farm loan associations from all over the state met in Eugene today and organized the Oregon Association of Farm Loan Associations. A. C. Bohrnstedt, of Salem, was elected temporary president and A. W. Stone of

Callus? Peel It Off Quickly

Nothing on Earth Like "Gets-It" For Corns and Calluses.

A spot of thickened skin on the bottom of your foot which so often makes walking an agony, is as easily removed by wonderful "Gets-It" as any hard or soft corn.

Callus Comes Off Like Banana Peel!

anywhere on your toes. Look at this picture—a few drops of "Gets-It" did the work. The callus comes loose from the true flesh. No irritation whatever. You peel the callus right off just like a banana peel—peacefully, painlessly. "Gets-It" does the same thing to any corn, without the use of sticky plasters, irritating salves, greasy ointments or bandaging tape. There's no itching—no knife, no scissors to use. "Gets-It" is used by millions because it's common sense, and it never fails. Try it, prove it.

"Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lorraine & Co., Chicago, Ill. Sold in Salem and recommended as the world's best corn remedy by J. C. Perry, D. J. Fry and Frank S. Ward.

Medford, temporary secretary. A permanent organization will be effected tomorrow. The sessions today consisted largely of a round table discussion of needed reforms in the system of farm loans. Congressman W. C. Hawley spoke in the afternoon and tonight at a banquet. The convention will go on record before it adjourns as favoring the abolishment of the amendment to the law which, while the associations own the stock in the federal farm loan bank, provides they have no voice in the election of directors or management of the bank. More efficiency on the part of the appraisers will also be advocated. Election of officers will be held and resolutions adopted tomorrow afternoon.

Catarrhal Deafness and Head Noises

TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME

If you have catarrh, catarrhal deafness or head noises caused by catarrh or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parmit (double strength). Take this home and add to it 30 pint of hot water and a little granulated sugar, stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dizziness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment. Capital Drug Co.

Captain Stafrin Named on Board of Pharmacy

Governor Olcott yesterday announced the appointment of Captain Conrad Stafrin, of Dallas, as a member of the state board of pharmacy, to succeed Ross M. Plummer, of Portland. The appointment becomes effective May 21, immediately succeeding the expiration of the term of Mr. Plummer. Mr. Plummer, who is secretary of the board, had expressed a desire to serve further as a member.

Captain Stafrin recently returned from France. He had a good record as captain of Company I of the old Third Oregon. When the war started his company was one of the first to be ready for service and Captain Stafrin came back from France with the highest praise of his men. He was with the United States troops that were sent into Italy from France and saw service here. He is a prominent pharmacist of Dallas and has been active along many civic lines, as well as military. Captain Stafrin was also on the Mexican border with his company.

The other members of the board of pharmacy are: J. Lee Brown, Marshfield; Clyde G. Huntley, Oregon City; Ross A. Farr, Astoria; E. H. Hatch, Portland.

Free Membership for All Service Men Given by "Y"

For all the men who have been in the army, navy, or marine corps, during the late war, the Salem Y. M. C. A. is offering free full paid up memberships for six months, carrying with it all privileges of the association. L. H. Compton, secretary of the association who served as lieutenant 14 months in France, stated last night that he hopes all former soldiers, sailors and marines will take advantage of the offer as he realizes that the active life they have led during the war has caused them to need an abundance of physical exercise in civil life and the Y. M. C. A. is prepared to supply this need.

Forty Attend Meeting of Veterans at Woodburn

Nearly forty Salem men and women of the various wars attended the meeting of the Marion County Veterans association at Woodburn yesterday. Practically all veterans societies and several of the auxiliary societies were represented.

Speakers included Rev. James Lisle and Rev. Albert Loughbridge of Salem. An interesting account of experiences in France was given by Thomas Ingle, of Woodburn, formerly a sergeant in Company I, 162nd infantry.

The next meeting of the association will be held in Silverton on the first Thursday in August.

Boats Built on Coast Purchased by French

VICTORIA, B. C., April 3.—Eight of the 27 wooden steamers built on the British Columbia coast to the order of the imperial munitions board, have been sold to the French government since their arrival in the United Kingdom, it is learned here. They were the War Yukon, War Nootka, War Songhee, War Puget, War Selkirk, War Cariboo, War Comox and War Masset. The last of the fleet to be completed, the War Squash, is on the way to the United Kingdom.

Over Half of Money for Women's Building Raised

PORTLAND, Or., April 3.—Reports made public today by Mrs. George T. Gerlinger, regent of the University of Oregon, indicated that more than \$50,000 of the \$100,000 sought from individual donors to make possible a woman's building at the university, has been pledged. Several large recent individual subscriptions to the fund were reported.

BOTH NORTHERN FRONTS SHAKY

Sir Ernest Shackleton Says Bolshevik Peril Is Extremely Real One

LONDON, April 3.—(By The Associated Press)—Sir Ernest Shackleton, director of equipment and transport of the Northern Russian expeditionary forces, has just returned from Murmansk and Archangel. He declares in an interview that both fronts are in danger, and that the Bolshevik peril is a very real one because the entente forces are outnumbered by disciplined and well armed and well equipped troops in close touch with the allies extended, but by no means strong front.

"We must avoid the possibility of another Khartoum," says Sir Ernest. He urges the need of sending reinforcements immediately. These, he asserts, can reach Murmansk from England in less than a week.

TY COBB SIGNS UP

AUGUSTA, Ga., April 3.—Ty Cobb announced at his home here tonight he had virtually closed an agreement to sign up again with the Detroit Americans.

Vernon Team Defeats Nationals of Chicago

LOS ANGELES, Cal., April 3.—The Chicago National league baseball team was defeated here today by the Vernon team of the Pacific Coast league, four to one. The 4000 fans who witnessed the game considered the victory an easy one for the Tigers, whose fielding was perfect and who took kindly to the delivery of Weaver, while the visitors could not bat either Dell or Fromme. Score:

	R	F	E
Chicago	1	7	2
Vernon	4	8	0

Weaver, Hendricks and Daly; Fromme and Devormer, Cooke. The Cubs will play the Los Angeles team of the Pacific Coast league here tomorrow. The first ball will be pitched by William G. McAtee, formerly secretary of the treasury.

PADDY 'COMES THROUGH'

PORTLAND, Or., April 3.—Paddy Siglin, Portland outfielder, who has been holding out for higher pay than was offered and who refused to join the squad at Crockett, Calif., unless his demands were granted, has accepted and will report at once, according to word received today by W. W. McCredie, president of the Portland Baseball club.

Trophy Train on Way to Next Stop at Astoria

PORTLAND, April 3.—The Victory loan war trophy train arrived here late today and was on exhibition until 11 o'clock when it left for Astoria. The train was thronged during its stop here. It will return late Friday and will again be open to visitors.

PORTLAND FILES TELEPHONE CASE

Brief States City's Attitude Regarding Increase in Wire Rates

PORTLAND, Or., April 3.—The city of Portland filed its brief in the case of the Pacific Telephone & Telegraph Company whereby author is sought from the state public service commission for permission to increase rates. The city contends that the public service commission is without jurisdiction in the case, inasmuch as the telephone company is alleged to have filed no petition asking for an advance, as required by the state law. Such a failure, the city contends in its brief, takes the matter entirely out of the hands of the public service commission. The brief further states that un-

"DANDERINE" FOR FALLING HAIR

Stop dandruff and double beauty of your hair for few cents.

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen, and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of "Danderine" at any drug store for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair stops falling out and you can't find any dandruff. Your hair appears soft, glossy and twice as thick and abundant. Try it!

Demobilization of 91st to Be in Small Sections

SEATTLE, Wash., April 3.—Hope that the 91st ("Wild West") division would be demobilized as a body at Camp Lewis was dashed today by a letter from Adjutant General H. G. Harris, Washington, D. C., to Frank Gates, secretary of the city's welfare committee. The letter said the division would be split up into regimental units which would be demobilized at points nearest their respective home areas.

BOARD'S POLICY

Continued from Page 1.

Decision Announced. It developed today that the lengthy conference yesterday, attended by several cabinet members and the heads of all the important government purchasing agencies, decided to reconmit to the board the "entire matter" involved in the refusal of the railroad administration to accept the new steel prices. It was said that there was no intention to reconmit only the controversy with the railroad administration and Chairman Peek's amendment to the official statement issued by Secretary Glass, in whose office the meeting was held, was declared by the treasury head to be unauthorized and not to reflect the sentiment of the conference.

FRENZIED MAN

(Continued from Page 1)
attorney, Mrs. Louise Sedgwick and ended his own life in Heath's office.

Sedgwick had been for some time in a sanitarium in Snohomish county undergoing treatment for tuberculosis. Learning that his condition was such as to preclude much hope for E. Fare, Mrs. Sedgwick, it is said, began action for divorce. Sedgwick came to Hoquiam to persuade her to drop the action, according to a letter he left for his brother, George Sedgwick, of Everett. Failing in his efforts, his letter said he had decided to make an end of everything "and take Louise with me."

There were no witnesses to the triple shooting, it was said. Mrs. Heath, wife of the lawyer, was in an adjoining room waiting for her husband. Heath died in a hospital, and Mrs. Sedgwick died in the office.

STRIKE ON BAY

(Continued from page 1)
must be agreed to by the machinists employed in other cities around San Francisco bay. Local union officials said the offer would be accepted and that the strike definitely was ended. The issues involved in the strike were retroactive wages under the Macy award and Saturday half holi-

derment purchasing agencies to see whether prices could be made sufficiently attractive to induce the government to purchase "freely." It was declared by men active in the creation of the board that it was not intended that the board should endorse prices for the public, but that the acceptance of new prices by the government was to be the assurance of the public that they were considered fair on the basis of known costs.

When the new steel prices were arranged, the railroad administration gave notice through its representative on the board, T. C. Powell, that they were not acceptable to the largest purchaser of steel in the United States.

The announcement of the new scale made no mention of the prices being acceptable to the government, but offered them only as "satisfactory to the public."

BOARD'S POLICY

Continued from Page 1.
administration, on which it is believed will depend the future activities of the board.

Director General Hines refused today to comment on the controversy.

May Publish Prices. Publication by the board for the public guidance of a list of steel prices which had not been accepted by the railroad administration and insistence that the latter should accept the prices after they were published seemed to be the points at issue, which have divided government officials into two opposing camps on the question of price fixing. As originally constituted according to official announcements made at the time, the board was intended to be an instrument of mediation between industry and gov-
