A few of the popular society women who were schoolmates of Miss Corinne Riley Barker, the charming movie actress, called at the tea hour Friday afternoon at the home of Mrs. George J. Pearce to renew acquaintance with Miss Barker. Miss Barker left yesterday morning for Portland and last night started for New York city where she will continue her work in the movies.

The many friends who did not get to meet her during her short visit will be interested to know of the announcement of her engagement to Rennold Wolf, a newspaper man of note in New York, where he is with the New York Morning Telegram. The announcement of her engagement has been made recently in the "Dramatic Mirror," "Town Topics," and other publications, but this is the first that it has been given out publicly in the west.

Mr. Wolf is a graduate of Cornell university. The marriage will be an event of early summer in New York and the couple are planning to come to the coast in July for their
