**Hot Water for Sick Headaches**

Tells why everyone should drink hot water with phosphate in it before breakfast.

Headache of any kind, is caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins, sucked into the blood, through the lymph ducts, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head producing violent, throbbing pain and distress, called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauseate you. Then you resort to acetanilide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoonful of limestone phosphate in it drunk before breakfast for awhile, will not only wash these poisons from your system and cure you of headache but will cleanse, purify and freshen the entire alimentary canal.

Ask your pharmacist for a quarter pound of limestone phosphate. It is inexpensive, harmless as sugar. If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath or have colds, indigestion, biliousness, constipation or sour, acid stomach, begin the phosphate hot water cure to rid your system of toxins and poisons.

**OBITUARY**

The Rev. Basil Schieber, O. S. B., pastor of the Sacred Heart church, Tillamook, who died on April 5th, was well known in Salem, and a large number of his friends went to St. Benedict's Abbey, Mount Angel on Wednesday morning to attend the funeral.

Death was caused by double pneumonia following an attack of influenza, which was contracted ten days before.

Father Basil was born in Conception, Mo., July 20, 1886, receiving his early education at that place. On completing his classics, he came to Oregon and took up philosophy, later finishing his theological course at Mount Angel college and entering the novitiate of the Benedictine Fathers at the abbey.

In a class of five, among whom was the Rev. Father Buck, of St. Joseph's church, Salem, he was raised to the priesthood by the Most Rev. Archbishop Christie, D. D. on June 5, 1909.

During Rev. Father Basil's presidency of Mount Angel college, a position which he filled most capably and well for four years, the college maintained its merited position among the schools of higher education in the state, and won for its worthy president unstinted praise and deserved credit for the excellent results of his office.

Failing health obliged Father Basil to resign and after a year in the south, he returned and took up the pastorate of Tillamook parish.

Solemn requiem high mass was sung at the abbey chapel on Wednesday morning by very Rev. Prior Maurus, O. S. B., assisted by two of Father Basil's classmates, Rev. Fathers Powers of Medford and Buck of Salem. The body rests in the Abbey cemetery.

Father Basil is survived by his parents, a brother in the priesthood, Rev. P. Odilo, O. S. B. of Cottonwood, Idaho, three other brothers and three sisters.

The kindly, noble influence of this priest will be felt for years to come, not only in the immediate vicinity of his labors, but in the entire state.

John McAllister was born in Georgetown, West Virginia, November 24, 1852 and died March 28, 1919. His parents died when he was a small boy. He was raised and educated in Georgetown. He learned the machinist trade at Piedmont, West Virginia and taught school two years before coming to Oregon in 1871. After coming to Oregon he taught school two years at Liberty near Salem, then moved to Salem and accepted a position as book-keeper at the state penitentiary. Later he was foreman in the North West Stove foundry for 26 years. Since the foundry closed he had been farming southeast of Salem. He had always led a Christian life, was a good neighbor, kind husband and father. Besides his widow he leaves the (oloving children: Mrs. May Crum, Salem; Mrs. Laura Welch, Long Beach, Cal.; Mrs. Myrtle Wolz, Mrs. Evelyn Coburn, Mrs. Melba Guerne, Geneva McAllister, Johnnie McAllister, Lee McAllister, and Harold McAllister.
