

RESISTANCE TO AUTHORITY SURE DEATH IN KOREA

Presbyterian Missionary Describes Scenes Attendant Upon Revolution

WOMEN KNOCKED DOWN

Orders of Soldiers and Police Contradictory—Civilians Are Wounded

SAN FRANCISCO, April 15.—Incidents in the Korean revolution are described by Dr. George S. McCune, a Presbyterian missionary at Sensen, Korea, in a letter printed in the issue of "The Continent," a Presbyterian weekly.

The letter was entrusted to a returning traveler, to be mailed to Chicago from Canada. Mr. McCune described scenes he said he and other missionaries had witnessed at Sensen between March 8 and 10.

Dr. McCune told of seeing three Japanese soldiers seize a woman, throw her down, kick her and strike her on the head with their guns. With a final kick they leave this woman of culture and refinement on the street, bleeding, attacked "as she was going about her own business quietly."

"Five soldiers came up to the North church and opened the keeper's house. They went in and knocked things about with their guns, broke a lamp and several dishes, threw down the chests and scattered their clothes. They demanded that the door of the church gate be opened. The police had ordered it to be closed just a little before. When the young man ventured to say so they struck him with a gun, the third stroke knocking him to the ground."

"His mother went over to see him and she was thrown back and struck to the ground with a bayonetted gun. The blood spurted out of her body and with a final kick they turned their attention to the husband and father. They split his ear up with a bayonet and left him bruised from head to foot. All of these had care at our hospital nearby."

"Resistance means sure death and nothing gained. Why die. Better live and await God's day of vengeance," was the comment I heard when asked how they could endure it all without resisting.

"Among many others who have been seized, their clothes torn and their bodies beaten, was one old man walking along the side of the stream that flows through Sensen. Three soldiers grabbed him, threw him about and knocked him over the ten-foot high embankment down into the stream."

by Dr. A. B. Starbuck and the election of Senator I. L. Patterson of Eola as chairman and E. K. Piasecki of this city as secretary followed.

Mr. Patterson was instructed to appoint a committee of seven to draw up plans and specify the roads that would be affected by the bonding act.

A committee representing practically every district in the county was appointed and after a short consultation brought before the meeting an extensive program for road development which when carried out will make Polk county the blue ribbon county of the state outside of multnomah county for the greatest number of hard surfaced roads within its borders. The plan as outlined by the committee and passed upon at the meeting leaves no community in the county without some improved roads and the bill to be voted upon is so arranged that only specified amounts can be used on the roads designated. The plan met the approval of the assembly and not a dissenting vote was cast.

A committee composed of E. C. Kirkpatrick, W. V. Fuller and E. B. Piasecki was appointed to draw up the petition for the county court and to have a number of petitions printed so that they can be circulated the first of next week.

Hon. C. L. McArthur was present and made a very interesting talk on good roads matters, telling the difference in the roads in the various states of the east over which he had traveled during the past several years. Congressman McArthur urged upon the people of the county to vote for the bonds and help to keep up the high standard that Polk county has attained among the progressive counties of the state.

The petitions will be presented to the county court at a meeting April 21 and that body will call a special election at an early date so that some work may be done on the roads this year.

CASTORIA For Infants and Children

In Use For Over 30 Years Always bears the Signature of J. C. H. HITCHCOCK

KOREANS IN U. S. HOLD JUBILEE

Declaration of Independence Read and National Anthem Is Sung

SAN FRANCISCO, April 15.—Koreans throughout the United States and Mexico sang the Korean national hymn and listened to reading of the Korean declaration of independence tonight at celebrations held in homes and halls. Officials of the Korean national association here, said the programs were to begin everywhere at 7:30 o'clock. There were to be no public demonstrations in this country as in Honolulu where the Koreans paraded.

Meetings were planned in New York, Chicago, Denver, Detroit, Akron, Pueblo, Yakima, Wash., Superior, Wis., ten cities of California and five in Mexico. The California meetings were to be held in San Francisco, Los Angeles, Sacramento, Stockton, Riverside, Claremont, Willows, Manteca, Dinuba and Maxwell.

Swimming Tournament for Junior Highs to Be Held

A free swimming tournament for junior high school boys is to be held this week at the Y. M. C. A. tank and all boys from the schools will be encouraged to take part, according to announcement made yesterday by Secretary L. H. Compton.

The contests will be held each day at 4 p. m. and today the boys from Grant school will have their tryouts. Lincoln school boys will swim Thursday and those from Washington on Friday.

Each day the fastest boys will be selected and next week the finals for the junior high championship will be held, probably on Monday. The contests are under direction of Julian Burroughs.

LIVES ARE GILT-EDGED

SAN FRANCISCO, April 15.—Three Pacific Coast capitalists today insured their lives for a total of \$2,500,000. They are Colonel D. C. Jacklin, San Francisco mining magnate who insured for a half million; D. M. Linnard, California hotel man, \$1,000,000, and Charles Virden, head of the California Fruit Distributors, \$1,000,000. Nine companies shared in the policies, none writing more than \$200,000 on one life.

THOUSANDS OF TROOPS COMING

War Department Announces Sailing of Numerous Divisions in France

WASHINGTON, April 15.—Additional units of the 35th (Kansas and Missouri national guard) division are enroute home. The war department today announced the sailing of transports carrying the 137th infantry, and detachments of the 130th field artillery and the 139th infantry regiments. The 303rd and 302nd field artillery regiments now on a skeletonized basis of the 76th division and the 144th and 145th machine gun battalions of the 40th division also have sailed.

The Manchuria is due at New York April 24 with the 137th infantry complete; base hospital No. 49; army ambulance sections No. 520, 521, 530, 569, 570, 599, 600, .02 and 604; 90th aero squadron; two casual companies and four convalescent detachments.

The transport Mobile, due April 21 has aboard the field and staff headquarters and supply companies, medical and ordnance detachments, batteries A to F inclusive of the 130th field artillery; army ambulance sections 604, 510, 512, 525, 552, 553, 625, 626, 632, 634, 635, 638 and 648; base hospital No. 76; convalescent camp No. 1; bakery companies Nos. 350, 388, 397 and 398 and detachments of base hospitals Nos. 21 and 50.

The transport Belvedere sailed from Marseilles April 12 for New York with the 13th engineers complete, eight casual officers and 42 civilians.

The transport Freedom will arrive at New York about April 27 with the first trench mortar battery and base hospitals Nos. 19, 20, 25, 30, 32, 38, 48 and 70.

The transport Matsonia is due at New York April 25, having on board the field and staff, headquarters detachments, machine gun company and nine companies of the 139th infantry; detachment of 21st ammunition train; 110th mobile repair shop; 138th machine gun battalion and convalescent detachments Nos. 15 and 157.

The transport Santa Rosa is due at Boston April 25 with the 303rd field artillery complete and the field and staff and batteries B, C and D of the 302nd field artillery.

The transport Santa Clara is due at New York April 24 with detachments of the 144th and 145th machine gun battalions.

The transport West Madaket sailed from Brest for New York April 12 with a few casualties.

Central Baptist Society Has Sixty-second Session

The sixty-second session of the Central Baptist Association meets today and Thursday at Hayesville Baptist church. This is one of the great meetings of the association. Some of the best speakers, singers and missionary addresses of the year will be heard.

This afternoon at two o'clock will mark the opening session. Wednesday night an address by Professor George R. Varney will be a feature. Thursday the morning session will be enlivened by an address by Rev. O. C. Wright. Thursday afternoon Mrs. George Campbell of China and Mrs. Albert Loughridge of India, will speak.

The sermon by Rev. S. J. Reid, at the evening session Thursday is expected to be one of the best of the meetings. All of the meetings are free and a general welcome is extended.

SHORT WEIGHTS FOUND COMMON

Deputy State Sealers Warns Wood Dealers, Gasoline Venders and Others

The short weight practice is prevalent in the state according to Deputy State sealer of Weights and Measures W. A. Dalziel and complaints from many sources are being received by his department. The deputy sealer is determined not to tolerate the practice and with his deputies is making a vigorous campaign to weed out the offenders.

"During the three months just passed the department has received numerous complaints about short weight products that are on the market and wishes to call to the attention of the manufacturers, merchants and commission men, that this system will no longer be tolerated," said Mr. Dalziel. "My deputies are making a vigorous campaign against short weight products throughout the state."

"Wood dealers are also coming in for their share of complaints and I consider it about time that the system of depriving the small consumer of a slight portion of the wood that companies and venders of gasoline are also warned that they must display in letters of gravity the size the amount of the gravity of gasoline they are selling, as well as having a can of standard measurement at pumps and places of business."

"The department of weights and measures has tried to be quite lenient with the business interests and give them a chance to regulate these things, but in the interests of the

public and consumer at large, they will in the future enforce all laws governing the sale of these commodities throughout the state."

Federal Rail Director to Make Tour of Coast

PORTLAND, Or., April 15.—Walker D. Hines, director general of railroads, will be in Portland Monday night and Tuesday, leaving Tuesday night, according to information received today by railroad officials. He will confer with heads of the various departments of railroads under federal control in this city. Mr. Hines is making a tour of the United States to look over railroad conditions in various districts.

According to word received in Portland, Mr. Hines will leave St. Paul Thursday and travel via the Chicago, Milwaukee and St. Paul to Spokane. He will then come to Portland and will go to California. A special train will bring him and a delegation of other officials from Washington. Regional directors E. A. Aishton and H. A. Holden will accompany him, it is said.

The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the fingers.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

LITTLE DAMAGE DONE BY FROST

Cold Snap Causes Slight Injury to Prunes or Peaches Is Opinion

Little damage if any was done by the front of Monday morning is the opinion of farmers and fruitmen generally, according to Luther J. Chapin. Mr. Chapin stated that he had been unable to get complete information as to the effect of the snap but so far as he had been able to learn there were no ill effects from the cold.

Mr. Chapin stated that he considered the peach trees too far advanced to suffer injury and that the prunes were not yet at a stage where they would be hurt. He said he believed that the fig bank would help to prevent injury to the fruit.

'GOLDEN RULE' IS HELD BEST LAW

Mayor Ole Hansen of Seattle Hoping for Disappearance of Bolshevism

SAN FRANCISCO, April 15.—Hope that the principles of anarchy and Bolshevism that now hold sway in portions of the world will not get a dominant foothold in America, but that the "golden rule" eventually shall prevail here and elsewhere was expressed by Mayor Ole Hansen

Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and poison-like poisons are formed and sucked into the blood.

Men and women who can't get feeling light must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of Limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

of Seattle in a speech here tonight before a mass meeting in the civic auditorium. The meeting was called by friends of Mayor Hanson to hear his lecture on "Americanism vs. Bolshevism."

Referring to bolshevism, he said: "Now this doctrine, alluring to the ignorant, full of sweet promises and hope on the surface to humankind has invaded many other countries of the world and here in this land, dedicated to equality of opportunity, we find that a propaganda is being carefully spread, teaching the necessity of overthrow of this government and the abolition of private property, of the overthrow of law and order and of the confiscation of honestly earned and saved competencies and advocating the turning over the government to those who talk the loudest, promise the most and do the least."

"Commenting on American citizenship he said:

"Referring to man who will not leave his party for the good of his country should be forced to leave the country for the good of all parties."

He urged the government and state to do everything possible in the way of public work at this time.

BELGIANS MAY BE REPRESENTED

Supreme Economic Council Decides Small Country Is to Be Given Voice

PARIS, April 15.—(By The Associated Press)—The supreme economic council has decided that Belgium may be represented thereon, in view of the many questions affecting that country.

The council has received the report of the director general of relief figures effected by the United States showing that 388,000 tons of supplies to the value of \$11,280,000 have been distributed. The council considered measures to increase supplies and shipping during the current months.

The serious deficiency in coal in Italy today led the economic council to appoint a committee to devise means for an immediate increase of the supply.

Delegates Return from Conference of Red Cross

Mrs. Gladys Pitchford has returned from the divisional conference of the Red Cross which was held in Seattle last week. Mrs. Alice H. Dodd, who attended as delegate from the home service section of Willamette chapter, will return today.

Mrs. Pitchford will submit a report of the conference insofar as it concerned her branch of the Red Cross work to a meeting of the board of Willamette chapter today.

Among those participating in the conference was Earl Kilpatrick, formerly principal of the Salem high school.

Final Debates Feature of Week-end Program

EUGENE, Ore., April 15.—High school debaters from different parts of the state will compete in Eugene May 9 and 10 in both the semi-finals and finals to decide the state championship, according to Robert W. Prescott, secretary of the Oregon high school debating league. These debates will be an added feature to junior week-end at the University of Oregon.

Misrepresentation in Sale of Farm Alleged

Misrepresentation in selling a farm of 24.66 acres in Marion county is alleged in the complaint filed in circuit court yesterday by T. B. Dean against Claude Cole. Plaintiff charges that when he discovered the alleged misrepresentation that he offered to deed the property back to Cole but the latter refused to agree to such a proposition.

Plaintiff asks \$8000 which he claims to have paid on the farm.

Couple Re-united When Court Dismisses Charge

Brought back from San Diego, Cal. to answer charges of non-support of his family, Samuel Peck and his wife, who swore out the warrant for his arrest, were re-united, their misunderstanding adjusted and the case against him was dismissed by Justice of the Peace Unruh in justice court yesterday.

It developed that when Peck left over a year ago he placed several hundred dollars in the bank to the credit of Mrs. Peck but through some chance she received no word of it. The misunderstanding resulted and the charges followed.

Salt Lake Chosen for Governors' Conference

SALT LAKE CITY, April 15.—Governors of the United States will hold their annual congress in Salt Lake City in August of this year, it was announced here today by Governor Simon Bamberger, of Utah, who received word from Miles C. Riley, of Madison, Wis., secretary of the union of governors to Alaska had been postponed for one year.

Salt Lake City was selected as the meeting place for this year's conference providing the trip to Alaska was not feasible. Less than 20 governors found it possible to accept the invitation of Governor Riggs to make the Alaskan trip this year.
