Small Phone Companies Are Partially Released

Class D telephone companies, those whose gross revenues do not exceed \$10,000 a year, are released from direct federal supervision through an order of the postmaster general. A copy of the order has been received by the public service commission.

Certain conditions cover the release. The companies are to refrain from constructing any lines paralleling or duplicating the lines of other telephone companies. They are to collect the service connection charges and standard toll rates and are to

THE SPINAL CORD

Carries the message from the brain to all parts of the body—These messages tell each part of the body how to perform its function.

If the line of communication (the spinal cord) be interfered with, the messages do not reach their destination and that part of the body does not function normally. This so-called disease, pressure of a vertebra on the spinal cord produces this result. Chiropractic remove this pressure and health is the result.

obey other future orders directed to the licensed companies. The companies are to waive all claims for compensation for the use of their lines or systems during the period of government control and are to accept their earnings as compensation. Any company that does not want to accept these terms must notify the postmaster general within 30 days from the date of the order, April 11. Otherwise the company will be presumed to have accepted.

To Relieve Catarrh, Catarrhal Deafness And Head Noises

Persons suffering from catarrhal deafness, or who are growing hard of hearing and have head noises, should know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed. Sufferers who could scarcely hear have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises, or catarrhal deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home and is made as follows:

Secure from your druggist 1 oz. Parmitin (double strength). Take this home and add to it 1/2 pint of hot water and a little granulated sugar; stir thoroughly. Take one tablespoonful four times a day.

Parmitin is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear, and the results it gives are nearly always quick and effective.

Every person who has catarrh in any form or distressing rumbling, hissing sounds in their ears, should give this recipe a trial. Capital Drug Co.

Salem Men in France to Go to "Don't Know Where"

The 33 Salem men, former members of Company M, 162nd Infantry, who have been stationed at Nevers, in the center of France ever since going overseas in December, 1917, are due to move somewhere, "but don't know where," according to a letter received from First Sergeant Paul Maurer, by his parents, Mr. and Mrs. John Maurer.

After being transferred out of Company M, in September, 1918, the men were assigned to Guard Company No. 1, Army Service Corps, and have been doing guard duty during their entire stay in France.

Among those in the company are Sergeants Malcolm L. Gilbert, Martin F. Van Laan, Paul Hendricks,

CELEBRATION TO BE THREE DAYS

Tentative Plans Made for Home Coming and July 4 Festivities

A Fourth of July and homecoming celebration lasting three days is the plan decided upon by a committee of the Salem War Mothers' union meeting at the Commercial club last night. R. O. Snelling, chairman of the civics bureau represented the club.

The plan is to have the festivities take the form of a home coming for the men who have been in the military and naval service and they will be the special guests of the city. Arrangements are very tentative as yet but it is likely that the festival will begin July 3 and end Saturday, July 5.

Important Meeting Held by Pomona Grange Members

An important meeting of Pomona grange was held Wednesday at Grange hall. Matters of vital interest to both producer and consumer were discussed.

The main urge of all arguments presented was for more active interest to be taken along legislative lines which will make Oregon take its proper place among the most progressive of other states.

The following program was given: T. E. McCroskey of the Commercial club, "Rest Room for Farmers."

J. W. L. Smith—Smith-Hughes Educational bill.

Lynnan Mc Donald—Vocal solo. Dan Langenburg, accompanist.

R. C. Paulus—Cooperative marketing.

Cornelia Marvin—Naturalization as related to the married woman.

Mrs. Arthur Rahn gave three readings.

Judge Bushey—Market Roads bill.

M. E. Pogue—Explanation of the reconstruction bonding bill.

Penitentiary Baseball Team Arranges Games

The state penitentiary baseball team is arranging a busy schedule for the spring and summer season and about the best baseball in Salem this year doubtless will be seen within the walls of the state prison. Next Saturday the prison team will play Willamette university. On the following Saturday a game with the Salem Indian Training school of Chemawa is on the cards and a week later the University of Oregon string will be here to cross bats with Manager Joe Keller's aggregation.

LABORING MEN MEET TONIGHT

Central Council Representatives and L. L. L. to Gather Jointly

For the first time in the history of the labor movement in this state there will be a joint meeting of organized labor in the interest of better relations between employer and employee. Tonight at 8 o'clock the Loyal Legion of Loggers and Lumbermen and the representatives of Salem Central Labor council will hear the question of voluntary mediation discussed by able speakers at Hurst hall.

At the last meeting of Salem Central Labor council a standing committee on educational propaganda was appointed to promote voluntary mediation as an acceptable means of settling all labor controversies. The committee is composed of Charles F. Gram, state labor commissioner; William A. Marshall, of the industrial accident commission; Arthur W. Lawrence and Pascal L. Trullio of Central Labor council, and J. H. Arnold, president of the Loyal Legion of Loggers and Lumbermen.

A committee composed of President Arnold, J. T. Turner and R. Dickey of the Loyal Legion attended the conference and President Simeral of the Central Labor council recognized the organization informally by naming its president on the above committee. The committee invited the Salem labor organizations and the advocates of voluntary mediation to meet with the local of the Loyal Legion.

Members of labor unions and all interested in the solution of labor problems are invited to attend the Friday evening meeting.
