

AFTER SUFFERING A WHOLE YEAR

Mrs. King Was Made Well by Lydia E. Pinkham's Vegetable Compound.

Iola, Kansas. "I was a constant sufferer from female trouble for about a year. I had pains in back and stomach, in fact all over me, and was all rundown. A friend of mine was cured of the same trouble by Lydia E. Pinkham's Vegetable Compound. I took it and it gave me health and strength and made a new woman of me. I cannot praise your Vegetable Compound too highly, and you may publish my testimonial as it may be the means of helping some other suffering woman."—Mrs. IRENE KING, 105 West Campbell Street, Iola, Kansas.

The great number of unsolicited testimonials on file at the Pinkham Laboratory, many of which are from time to time published by permission, are proof of the value of Lydia E. Pinkham's Vegetable Compound, in the treatment of female ills.

Every ailing woman in the United States is cordially invited to write to the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for special advice. It is free, ready to bring you health and may save your life.

COUNT ASKS WILSON TO HEAR HIS VIEWS

(Continued from page 1) means came immediately upon the issuance by the German government that it would make counter proposals to the peace terms and that the German answer would be a proposal "for a peace of right on the basis of the lasting peace of nations." It had been anticipated that the Germans would not make a formal answer for several days. The German delegation has been in close touch with Berlin and is said to have received instructions from the home government.

Ebert Orders Mourning

President Ebert's government has ordered a "week of mourning" in Germany because of the severity of the peace terms as they view them. The political situation in Germany is unsettled and there are reports that if the government refuses to sign the treaty, it will be succeeded by one composed of independent socialists.

The Council of Four Discusses

Saturday, it was reported, the question of what to do with Germany should she refuse to sign the treaty. It was said the discussion was for the purpose of being prepared for any eventuality. It is believed, however, that the Germans will sign.

President Wilson, According to

Paris reports reaching Washington, still remains firm on the Adriatic problem and has not agreed to the proposal to give Fiume to Italy after 23. In a speech Saturday at the Academy of Moral and Political Sciences, the president said that America was ready to defend liberty wherever and whenever it was threatened. Friday night in a dinner address, the president said the war had given new impetus to international law and made it more important than it had been previously. The president, it is said in Paris, will be back in Washington about June 15.

Some changes in the German-Austrian peace delegation are reported

from Vienna as the result of the decision of the Austrians that it was hopeless to look forward to union with Germany. Chancellor Renner of the Vienna government probably will succeed Franz Klein as chairman of the delegation which is expected in Paris about Wednesday.

ENTIRE UNITED STATES OVER TOP ON BIG LOAN

(Continued from Page 1) tions not yet tabulated was provided by the record of the fourth liberty loan when \$2,332,000,000 was reported after the subscription drive had ceased. Official figures tonight showed that the Minneapolis, St. Louis, and Cleveland districts had already raised more than 100 per cent and the Chicago district reported that its quota had certainly reached that mark although tabulation of figures could not be completed.

New York Far Over

New York district managers calculated that their district would go about \$200,000,000 above its quota. Messages from Boston and Philadelphia district headquarters, said, "don't worry." The increase in subscriptions today over the total last night was \$534,768,000. The feature of developments today was the jump of the Cleveland district in the percentage column from ninth to third place with an increase of from 53 to more than 100 per cent.

Boston, Cleveland, Baltimore, St. Louis and Washington were among

the cities which officially obtained their quotas early today. Alaska and Hawaii also made similar records. The Dallas district reported that it probably had 80 per cent of its quota and that the outlook was excellent for a 100 per cent subscription.

PACIFIC COAST SAFE

SAN FRANCISCO, May 10.—John U. Calkins, governor of the twelfth district federal reserve bank, in a statement late tonight said latest returns made him certain the twelfth district was safely over its quota of \$301,500,000 in subscriptions for the victory liberty loan.

THE ENTHUSIASM

He always lets everybody know When he arrives at the picture show; Breedling in on the noisiest feet, Audibly hunting his favorite seat, Telling the usher in clarion tones Where he prefers to bestow his bones, After disturbing row upon row, He settles down to observe the show. Also to read in his neighbor's ear All of the titles, both loud and clear, Roasting the music beyond his ken, Whistling such tunes he knows now and then; Part goose, part hick, part bore, part child, Added to that a fan gone wild, These are the markings of his class, The genuine, A1 enthusiasms!

He breaks all records for sound hitting. When the comedian comes into view, He roars in torrents, he pounds the floor, Then plumps his knees in the seat before, Keeping this up till compelled to pause For the coughing that follows his guffaws, When he is able to speak again, He burdens the air along this strain—"Say," he addresses the audience,

"Ain't Charlie corkin', ain't this immense? Diddy pipe that stunts? Diddy lamp that play? Yuh gotta be wise to get this, I'll say!" The programme ends, he bolts for the street, Trampling the innocent bystanders' feet! Thus you will know it has come to pass, You've seen the perfect enthusiasms!—C. B. ORWIG.
