

THE SALVATION ARMY

Home-Service Campaign

JUNE 22-30

QUOTA-MARION COUNTY . . . \$20,000
 QUOTA-SALEM 15,000

The Salvation Army, backed financially by the B. P. O. E., rendered services to American Expeditionary Forces in France that will never be forgotten. The Salvation Army "lads" and "lasses" were on the job every minute, operating canteens with Hun shells dropping all around them. They made coffee and baked American doughnuts and Apple Pies for the doughboys almost in the trenches. The simplicity and sincerity of their service went straight to the hearts of American Soldiers—and all America. They brought far-away home near to our boys.

The Home Service Fund Campaign, June 22 to June 30, under the direction of the Oregon State Elks Association, GIVES US A CHANCE TO MAKE GOOD HERE AS THE SALVATION ARMY MADE GOOD OVERSEAS. Every dollar contributed in Marion County will be used in Marion County for Home Service.

A MAN MAY BE DOWN, BUT NEVER OUT!

Salvation Army men and women have dedicated their lives to the work of relieving others. While they must have food, clothes and shelter to live decently, they ask no reward in this life beyond the respect and appreciation of their fellowmen. Hence they are well fitted both in spirit and experience to handle money carefully and frugally. None will be wasted. Believing that "A man may Be Down But Never Out" they will use this money for the following purposes:

*To feed the hungry
 To clothe the ragged
 To shelter the homeless
 To champion the cause of the weak
 To advise, teach, and aid the unfortunate
 To give a vast volume of temporary relief*

*To reclaim wayward girls and fallen women
 To assist homeless, jobless men with work to become self-supporting
 To help released prisoners to get a new start in life
 To care for dependent, orphaned and neglected children
 To aid poor mothers and sick and helpless babies*

To Open Its Doors to Every Human Being in Need of Help, Physically, Morally or Spiritually, Without Regard to Creed, Color or Race.

Let Us Put the Salvation Army at Work in Marion County. We Need Them, and They Need Our Help. Do Your Bit.

HON. BEN W. OLCOTT,
 Honorary Chairman.

EXECUTIVE COMMITTEE:
 Arthur S. Benson
 August Huekestein
 Hal D. Patton
 Isadore Greenbaum
 Oscar B. Gingrich

WALTER LINCOLN TOOZE,
 General Manager.
