They Satisfy

Of course, Chesterfields have taste. And it's some taste, too.

But the thing that Chesterfields do that no other cigarette does or can do is to satisfy.

Chesterfields satisfy your smoke-hunger just as a drink of cold water satisfies your thirst. They go straight to your smoke-spot.

And the formula for the Chesterfield blend is the manufacturer's secret. Unlike a patent, it cannot be copied or even closely imitated.

Just ask your dealer for a package of those cigarettes that "satisfy."

THREE IN RING FOR BIG FIGHT

Two Judges and Referee Will Decide Winner—Names to Be Out Friday

TOLEDO, O., June 25.—Selection of officials to decide the heavy-weight championship between Dempsey and Willard July 4 will not be announced until Friday.

Postponement of the announcement, scheduled for tomorrow, was caused by the failure of Adam Empe, secretary of the army, navy and civilian board of boxing control, and W. A. Gavin, a member of the executive committee, to leave for New York on the train they intended.

Empe and Gavin left at 1 o'clock tonight, but because they will not arrive in New York until 5:30 o'clock tomorrow afternoon, it will be impossible, they said, to hold a meeting of the executive committee of the boxing control board until Friday.

A distinct surprise was caused today when it was announced there would be three officials, two judges and a referee, to decide the contest. Both Willard and Jack Kearns, manager of Dempsey had declared they were opposed to the three man system. Willard's consent was obtained this morning, while Kearns agreed to the proposal this afternoon.

It was learned that the officials likely to be chosen are Jack Welch, veteran referee of San Francisco; Bill Brown of New York and Ollie Pecord, official referee of the Toledo boxing commission.

Pecord is being considered in the position of referee, it is said while Brown and Welch are expected to be chosen the judges.
