BABY PARADE PRIZES GIVEN

First and Second Announced, Others Are Remembered by Local Bank

The greatest Fourth of July celebration in the history of Salem started off yesterday morning with the baby parade, the most beautiful parade of the day and one that was a very close second in popularity to the Victory march in the afternoon. All of the 60 entries were attractive enough to be prize winners, for every one was beautiful. In fact every one was a prize winner, although not taking first or second prizes, for the United States National bank announced that each child entered in the parade who did not win a prize would receive a \$1 deposit in the savings bank upon presentation of the registration card.

Long before time for the line to form thousands of proud parents and admiring friends gathered in Willson park and on Court street and when the procession formed it was necessary for the Cherritons, who formed a guard of honor, to keep back the throngs of enthusiastic people. After the formation the parade marched into the park where the judges made their decisions. Among so many beautiful entries it was difficult to pick out the prize winners, but some of the most attractive were the pony cart decorated in red rambles, white daisies and blue bachelorette buttons with a miniature Uncle Sam driving, an airplane decorated

in red rambles with a goggled pilot in the cockpit, a little Italian organ grinder with hand organ and monkey, a Chinese carriage containing two little ladies in Mandarin costumes, a chariot in pink rambles, and a red, white and blue canoe. Perhaps the most attractive of all were a perambulator, in ferns and yellow daisies and a tricycle completely covered with flowers and shaded with a dainty parasol of flowers and long streamers. The prize winners and entries follow:

Class A—Best decorated vehicle, drawn by pony, first prize, William Linfoot, 2109 West Nob Hill street; second prize, none.

Class C—Best special or unique feature in the parade, first prize, Peary Buren; second prize, Mrs. Albert Kauffman, 1025 North Seventeenth street. Other entries were: Werner Brown, Mrs. E. H. Choate, Leona Geer, Ruth Purvine, Mrs. Olaf Olsen, Mrs. E. McRae, Marie and Jeanette Patten, Bettie and Jack Harbison.

Class E—Most comic feature in the parade, first prize, Gwyneth and Tommie Edwards; second prize, unclaimed. Other entries were: Rosalie Buren, Ella Schultze Wilson, and Frank Spears, Jr.

READ STATESMAN OVER 68 YEARS

Late Amanuel C. Pettys Ran Hand Press to Pay for First Subscription

Amanuel C. Pettys commenced taking The Statesman with the first number, March 28, 1851. He ran the first hand press to pay for the first year's subscription.

He continued as a subscriber till the day of his death, June 18, and the Twice-a-Week Statesman is still going to his late address, Ione, Or.

He read the Statesman for over 68 years, for this paper began its 69th year of publication March 28, as stated above.

The writer wishes to submit the above as a record—at least, for a western newspaper.

Amanuel C. Pettys, after several years of poor health, passed away at his home near Ione, Oregon, June 18, 1919. He was born at Bath, Steuben county, New York, August 8, 1820, making him at the time of his death 88 years, 10 months and 10 days. He was the oldest child of Seneca and Olive S. Pettys. In 1825 the family moved from their native state to Livingston county, Michigan, where the father died in 1846, leaving the mother with five children, two sons and three daughters. In 1853 the mother with her family started across the plains with a company who were coming west to the Pacific coast. They encountered many hardships on the way; were 15 months on the plains as they spent a part of the winter at Salt Lake, where one sister, Mrs. Marilla Mercer died, leaving an infant son to the care of the family. (This little babe, now a grey haired man lives in Portland.) In the spring of 1854 the family continued their journey to Oregon and settled near Salem, where they lived until 1868, when they moved to Morrow county, where they settled on a favored three miles east of what is now Ione, where he followed the stock raising industry for many years and where he lived continually till his death.

The mother having passed this life October 16, 1883, one sister, Arvilla Lewis, died at Spokane, Wash, July 27, 1899. The only brother, Manville B. Pettys, died in Portland April 3, 1919, leaving an only sister, Mrs. Rosalia Hewley, who lives at 5096 Fifty-second street, S. E. Portland.

Deceased was married June 27, 1877, to Miss Katie Giesler, who with seven children, two sons and five daughters, are left to mourn the loss of husband and father. They are: Albert O. Pettys, Walla Walla,

CHEVROLET IS WINNER WITH 97 MILE RECORD

Speedster Wins First in 80 Mile, First in 60 and Third in 40

RICKENBACHER REFEREE

Mulford Drives Spectacular Race But Broken Valve Puts Him Out

TACOMA, Wash., July 4.—Piloting his machine at an average speed of 97 miles an hour, Louis Chevrolet this afternoon won first prize in the 80 mile race at the Tacoma speedway after having captured first honors in the 60 mile event and third in the 40 mile contests.

Eddie Hearne was second in the main event and Cliff Durant third.

Ralph K. Mulford was second in the 60 mile event and Hearne third. More than 35,000 persons witnessed the three events for the Pacific coast championship which goes to Chevrolet.

Captain Eddie Rickenbacher, America's greatest ace, was referee.

Dario Resta, a great favorite among racing fans throughout the entire United States, was outclassed in every event. He declared his car would not hit the pace set by the other drivers, although he said he kept the throttle down to the floor boards in the three races.

Mulford and Chevrolet supplied the genuine thrills for the wildly enthusiastic crowd, the largest ever assembled at the Tacoma speedway.

Valve Quers Mulford.
On the 27th lap in the 80 mile race Mulford passed Chevrolet. Mulford was driving an exceptional race, outgeneraling his competitors and was leading the field on the 32nd lap when a valve in the powerful engine snapped, droppin through and forcing him out of the contest.

Chevrolet then stepped into first, keeping a good distance ahead of Hearne, who came in second. Durant took third money as Resta had been forced out on the 22nd lap because of magneto trouble.

The weather was ideal light clouds obscuring the sun sufficiently to keep the crowds in the band stand from sweltering.

Between the second and third events Aviator Percy Barnes of Tacoma gave an exhibition flight.

Rickenbacher Idol.
Captain Rickenbacher, who won the 200 mile race in Tacoma in 1916, was given a wonderful ovation when he advanced at the track in an attractively decorated motorcar. Riding with the ace of aces were Major General W. H. Johnston, commanding Camp Lewis, and Walter C. Baldwin and Edward B. King of the speed way association.

The races were scheduled for two o'clock but Pres. Baldwin delayed the opening event awaiting the arrival of the crowds on trains and automobiles.

G. CHEVROLET MAKE 8100 MILES IN 54 MINUTES

NEW YORK, July 4.—Gaston Chevrolet won the 100 mile automobile Derby at Sheepshead Bay today breaking the world's record for the distance with the time of 54 minutes 17 1/8 seconds.

The former record made by Louis Chevrolet on this track September, 1917, was 54 minutes and 20 9/100 seconds. "Howdy" Wilcox finished second to day and Dave Lewis third.

Wash., Marilla E. Newton of South Bend, Wash.; Ruth F. Cosmann of North Bend, Oregon; Katie A. Swanson, Olive L. Engleman, Edith E. and George A. Pettys, all of Ione, Oregon.

No Abatement is Shown in Telephone Strike Here

There is no abatement in the strike of telephone operators in Salem, and picketing is still the order, though not as spirited as on Thursday, the first day of the walkout.

The telephone company announced last night that many former employees have returned to the switchboards and that some new girls are now on the payroll, and that by the first of the coming week the service will show improvement.

Apparently no steps have been taken at the San Francisco offices to meet the demand of the girls, and the presumption is that the strike will remain unsettled for some time to come.

Robert Ringer Believed to Know Famous Convict

Warden Steiner of the state penitentiary said yesterday that an officer will be sent to Brawley, Calif., to return Clyde J. (Red) Rupert to Salem as soon as identification of the suspect held there is complete. A full description and photographs were sent to Brawley officers today. The message announcing arrest of a man believed to be Rupert reached Warden Steiner yesterday, asking identification and amount of reward. Only the usual reward of \$50 offered by the state is on Rupert's head. Robert Lee Ringer, who is said to have recognized Rupert on

the streets of Brawley is a former Portland sports editor and writer. Rupert was a famous Portland athlete, and Ringer's familiarity with athlete's of Rupert's day is believed to make the identification virtually certain.

Harry Wilson, 13, May Lose Eye as Explosion Result

PORTLAND, July 4.—Harry Wilson, 13 year old son of Reverend and Mrs. W. L. Wilson, may lose his right eye as a result of the explosion of a cartridge which he was trying to extract from the breech of a rifle which he proposed to use in celebrating the Fourth today. The explosion threw the brass portion of the cartridge into the lad's face.
