TIRE

Is Never Accidental
It calls for something more than a factory and good intentions.

EXPERIENCE

For one thing: Purpose for another
Any tire will give in mileage, in wear, in economy, in roadability only what is put into it by the maker. Never more.

THE WANT ADS PULL

The Statesman want ads pull. They are widely read. You can sell anything through the want ads of The Statesman. You can get any want you have.

They have almost the "authority" of the English House of Commons, of which it was once said, "It can do almost anything but make a man a woman."

And the little ads cost little.
