By RUTH LENORE FISHER

DOMESTIC service is made a profession and an attractive one in London. A brand new scheme has been launched by the Young Women's Christian Association. It is called the "Home Service Corps." A residential club has been established for women and girls in the domestic service, the members going out daily from it to their work. They come back to it for all their meals and their free time and they can entertain their friends, both men and women there.

It is located in one of the most aristocratic sections of London so that the domestic workers of the neighborhood may use it as their business and recreational headquarters and even as their home. Higher wages, shorter hours, with stipulated meal hours, vacation half-holidays, week-end holidays and regular working hours are included in the work that is guaranteed by the employment manager to all the women who come to the club.

"High wages and regular hours and the general air of freedom in the munition plants where so many of the women of England have worked for the past five years have domestic work in the old grinding form unthinkable to our girls who are now being discharged from the munition plants," said Miss Reynolds who has charge of the club. "They simply won't go back to it! And why should they for England is utterly dependant upon the 'servants' as she calls them and cannot comprehend how the American women in so-called high society can think of doing her own work."

"We hope to put domestic work on such an attractive basis that women of all classes will adopt it as a profession," said Miss Reynolds.

Mrs. Eugenia Gillingham and Mrs. Campbell will be hostesses at the latter's house at 411 North Summer street for the C. W. B. M. of the First Christian church this afternoon. An enjoyable time is planned and all of the members are asked to be present.

Miss Ruth Griffith and Miss Elizabeth Dyer left yesterday for Pendleton to be the guests of Miss Katharine McNary, who is a daughter of Dr. and Mrs. W. B. McNary of the Eastern Oregon state hospital.

Salem friends bid farewell Tuesday evening to two well known families who left at that time for Long Beach, Cal., where they will make their home. Mr. and Mrs. J. H. Davis, Miss Abbie Davis, Mr. and Mrs. S. E. Palmer, Mr. and Mrs. G. H. Davis and Mrs. S. E. Palmer left by way of train while Miss Abbie Davis and S. E. Palmer accompanied Dr. and Mrs. Warren B. Davis of Stramore, Cal., in their motor car.

Miss Abbie Davis has been instructor for several years in the Lincoln school and leaves that position to accept one in the schools of Long Beach.

Mrs. Marie Collins and Mrs. Ida Bunnell left Wednesday for Oskaloosa, Iowa, where they will visit for an indefinite time. On their way they will visit relatives in several cities in Montana.

Mrs. Nellie G. Neill of LaGrande who has been visiting at the home of her son, William Neill, has returned

to her home. Her daughter, Miss Mae Neill, who came down with her will remain for a longer visit with her brother.

Miss Josephine Baumgartner left yesterday for Monmouth where she will be a guest of Miss Eva Randall at the summer school.

Miss Bertha Byrd has gone to Elkhorn where she will be the guest of Miss Oda Chapman with her mother is camped there. Miss Byrd plans to be gone the month of August.

Friends of Mr. and Mrs. O. L. Ragan will be pleased to learn that their small son, Howard Ragan is recovering from a minor operation at the St. Vincent's hospital in Portland.

Mr. and Mrs. Herbert Farrar and baby have gone to Newport for a two weeks visit. While there they will be domiciled in the Dr. Griffith cottage.

Mr. and Mrs. S. S. Aschenbrenner and daughter, Miss Gladys, and Mrs. James Warner are in Portland for a short stay as the guests of Mrs. D. C. Sherman. They plan to go up the Columbia highway today.

Dr. and Mrs. Fred Ellis and daughter Kathrine are home from their vacation spent at Newport.

Miss Alpha Rosenquest and Miss Vera Rosenquest are in Portland as the guests of their sister, Mrs. Roy Wesley Burton.

Mrs. Frances E. Neer and her daughter, Catharine, from Oakland, Calif., who are the summer guests of Mrs. W. E. Wilson have gone to Portland for a week's visit with friends.

In honor of her mother, Mrs. Hawley, who celebrated her 79th birthday last Saturday, Mrs. H. A. Beauchamp of Stayton entertained a party of women at her pretty home on Third street. The rooms were tastefully decorated for the occasion. At the close of an afternoon of pleasure and amusement, a delicious lunch was served.

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.

UNIVERSAL ELECTRIC Home Needs

OF course you will iron electrically this summer. It saves coal for the nation's needs and is far easier and cheaper for you.

To get lasting service the proper selection of the iron is important.

For three-quarters of a century Landers, Frary & Clark have manufactured perfect equipment for household needs.

This Trade Mark **UNIVERSAL** guarantees satisfaction

You probably now possess something marked.

Look for that trade-mark on electrical appliances. It assures you that the quality of the goods so marked has not been sacrificed for quick profits.

Stock Reducing Sale

FRIDAY and SATURDAY

August 1-2, 1919

We want to cut down our immense stock before we take our semi-annual inventory early in August. And although the prices on shoes are soaring (some lines have advanced 50 per cent since January 1st, 1919) and bid fair to continue to raise. We are so anxious to reduce our stock to its lowest point before invoicing, that we are going to make some
