

SOCIETY

By RUTH LENORE FISHER.

AMONG the people of Oregon who are winning success in literature is Mrs. Etta Squier Selye of Salem, who is writing articles for various magazines. Mrs. Selye devotes her stories to articles that will boost Oregon, and she has in a recent article told of the United States National bank financing the Boys and Girls' clubs of Marion and Polk counties. The article will soon appear in the Coast Banker, a California publication. In a recent copy of American Motherhood appeared an article by Mrs. Selye. In an eastern magazine, Money Talks and Merchandising, appears a story about E. B. Flake of Salem, written by Mrs. Selye. Numerous other stories written by her

have appeared in eastern magazines. At present Mrs. Selye is working on a story of the Jersey cattle of Oregon and the methods used here in taking care of them. * * * Mrs. C. P. Bishop has gone to Portland to be the guest for several days at the Roy T. Bishop home. * * * Mr. and Mrs. Warren F. Belt of Olympia, Wash., the former secretary of the Washington state board of control, arrived in Salem yesterday and will visit with relatives for several days. * * * Mrs. David W. Eyre spent yesterday in Portland as the guest of friends. * * * Mr. and Mrs. W. H. Dancy and Mr. and Mrs. Fred W. Durbin left yesterday for a short sojourn at the Durbin cottage at Neskeon. * * * Rev. and Mrs. Richard N. Avison are leaving today for Portland where they will visit for several days with friends. * * * The Tuesday Musical club had its first meeting of the year Tuesday evening at the studio of Miss Lena Belle Tartar. At the business hour Miss Bertha Junk Darby gave a report of the state association meeting last June. After the business, the remainder of the evening was passed in a social way, with the hostess serving light refreshments. * * * Mrs. Charles A. Park spent yesterday in Portland visiting friends. * * * Mr. and Mrs. Wayne Pettit left yesterday for Portland and Seaside where they will spend a 10-day vacation. * * * Mrs. E. L. Steeves is spending a few days in Portland visiting her son and daughter-in-law, Mr. and Mrs. Laban Steeves. * * * The Salem Oregon Agricultural College club will have an informal party tonight in Cottillion hall. Miss Lena Belle Tartar, Miss Frances Gellately, Miss Laura Pratt and Miss Nora Miller are the committee in charge and they are arranging an extremely pleasant evening for the club members. Games and dancing are being planned for diversions. * * * Mrs. W. C. Winslow presided at an informal pleasant dinner party last Sunday night, complimenting her two house guests, her sister, Miss Ella Degee, and Miss Edith Barrett of Eugene. A bowl of dainty Cecil Brunner roses made a much admired centerpiece. * * * Mr. and Mrs. Don Upjohn and two children returned home yesterday from a delightful motor trip to Astoria, Portland and other places of interest. * * * Mrs. Charles A. Park's Bible study class began its work for the year Tuesday afternoon in the Young Women's Christian association rooms. With 26 women out for the first meeting the class will be larger this year than before, and keen interest is being taken in the work by the members. * * * Mr. and Mrs. Guy O. Smith have gone to Prineville for a week's visit with friends. * * * Mrs. J. H. Ackerman of Monmouth arrived yesterday for a visit in Salem with her daughter, Mrs. Roy Burton and Mrs. E. F. Carleton. * * * Mrs. W. Al Jones and two daughters returned yesterday from Portland after visiting several days with Mrs. Jones' mother, Mrs. E. Creighton. * * * The Loyal Women's class of the First Christian church will meet on Thursday afternoon at the home of Mrs. G. W. Walcher, 1634 South Commercial street. * * * The Royal Highlanders gave a social evening to their friends last Monday night at their hall on North Commercial street. Bright colored autumn leaves added an attractive color to the rooms. The evening was spent with dancing and five hundred. * * * Mrs. J. G. Medler, 1760 South Liberty street, has as her guest this week her mother, Mrs. N. A. Brock of Wasco, Ore., and her sister-in-law, Mrs. Newt Brock of Dragon, Utah. * * * Mrs. Anna Pettit of Portland will speak at the prayer meeting of the First Baptist church tonight on "Christian Americanization." Mrs. Pettit has had a large experience working in the missions with the foreign speaking people and in addition has made careful study of art as well as art appreciation and ceramics will be classes of the league which will be particularly interesting to many people. * * * It was definitely decided last night that the Salem Women's club would have their club breakfast on Saturday at the Hotel Marion. The breakfast will be served promptly at 11:30 o'clock and the women will meet a little earlier at the hotel. Every effort is being made to make it an extremely delightful affair. And now that all the club women are home from their vacations, a large number have promised to attend. * * * Convalescence after pneumonia, typhoid fever and the grip, is sometimes merely apparent, not real. To make it real and rapid, there is no other tonic so highly to be recommended as Hood's Sarsaparilla. Thousands so testify. Take Hood's.

Encouraging Bolshevism

Everything that falsely encourages unrest also encourages bolshevism.

Misunderstanding of American industrial organization, and of its benefits to mankind, leads to unrest, dissatisfaction, and radicalism.

For example, the Federal Trade Commission tells the public that the large packers had an agreed price for lard substitute (made of cotton-seed oil.)

It reproduces letters taken from the files of one of the packers, showing that such agreed price existed.

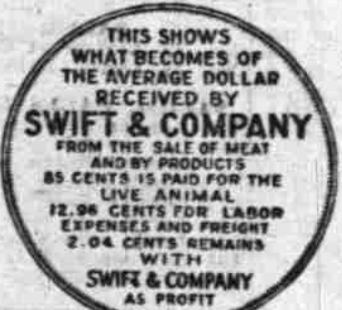

But it failed to mention that the agreed price was determined at the request of and in co-operation with the Food Administration!

Even the Department of Justice, in its unjust attempt to create prejudice against the packers, has made public these same letters, with no explanation.

How long must this kind of misrepresentation continue? In so far as it is believed, it not only breeds discontent, but results in injustice to our industry.

portant place as well. The various branches will include out-of-door sketching, photography, life study, technical and historical side of art, interior decorating, art appreciation, and ceramics. * * * It was decided at Tuesday evening's meeting to extend a general invitation to join, to all who are interested in any of the departments. The league will have only an active membership. * * * Meetings will be held once each month, on the second Tuesday evenings, at 7:30 o'clock. The various classes will meet however, on more frequent occasions at the homes or studios of members, when those interested will be invited to attend. The first out of door sketching class will gather Sunday afternoon. * * * The election of officers for the year was of first importance at the original session, the following being installed: Mrs. R. Monroe Gilbert, president; Horace Sykes, vice president; Mrs. Byron Brunk, secretary-treasurer; Mrs. E. E. Fisher, art director. * * * Two members were selected to head the following committees: study out of door sketching and still life; Miss Laura Pratt, and Monroe Gilbert; photography, R. C. Paulus and Horace Sykes; literature and music, Mrs. F. S. Barton, and Miss Flora Case; ceramics, Mrs. Gedego G. Brown, and Mrs. T. Leland Brown. * * * The house committee composed of Mrs. L. S. Sheldon, Miss Flora Case, C. M. Eppley and Monroe Gilbert was voted a permanent one. * * * Plans for a social program were tentatively spoken of. It was thought possible to arrange an entertainment for early in the new year, the program for which is to be made up of original contributions of the members. * * * A room on the first floor of the library has been donated to the league as a permanent headquarters. This will be fitted for both a club and ex-

hibit room. * * * It is quite probable that well known Oregon and traveling artists and lecturers may be secured from time to time to speak before the club. It is also thought that the traveling exhibit of the American Federation of Arts can be brought to Salem through the league's efforts. Musical programs are also a possibility. * * * The first to sign their names as charter members of the league are: Mrs. Alice H. Dodd, Mrs. L. B. Sheldon, Mrs. T. Leland Brown, Mrs. George G. Brown, Mrs. H. D. Trover, Miss Carol S. Dibble, Mrs. Byron Brunk, Miss Laura L. Pratt, Mrs. F. S. Barton, Miss Renaka Swart, Mrs. E. E. Fisher, Mrs. Carrie H. Chapel, Mr. and Mrs. R. ART LEAGUE IS ORGANIZED

Program of Cultural Studies Arranged and Officers Are Elected

An epochal event in Salem's cultural life took place in the lecture room of the Salem Public Library Tuesday night, when artists and art patrons of the city assembled to organize the Salem Art League. * * * Much enthusiasm was manifested, and it is confidently expected that the league which is the first of its kind to be formed in the capital city will competently fill the need that has been so long and so urgently felt here. * * * While art activities will be prominent on the league's program, literature and music will be given an im-
