GIRLS! DRAW A MOIST CLOTH THROUGH HAIR

Let "Danderine" save your hair and double its beauty

Oh, girls, such an abundance of thick, heavy, invigorated hair; a perfect mass of wavy, silky hair, gloriously fluffy, bright and so easy to manage.

Just moisten a cloth with a little "Danderine" and carefully draw it through your hair, taking one small strand at a time; this magically removes all dirt, excess oil and grease, but your hair is not left brittle, dry, stringy or faded, but charmingly soft, with glossy, golden gleams and tender lights. The youthful glints, tints and color are again in your hair.

"Danderine" is a tonic-beautifier. Besides doubling the beauty of the hair at once, it checks dandruff and stops falling hair. Get delightful Danderine for a few cents at any drug or toilet counter and use it as a dressing and invigorator as told on bottle.

Tired, Overworked Mothers What You Need is Vinol

War conditions have made the demand upon a mother's time and energy unlimited. In their zeal to do all in their power for their loved ones, they continually overwork and are soon in a nervous, run-down condition. Vinol, the non-secret cod liver and iron tonic, will build you up and make you strong.

HERE IS PROOF

Whitman, Mass. "I suffered from a nervous, run-down condition and loss of strength so it was hard for me to get around and do my work. After other medicines had failed to help me Vinol restored my health and strength and I heartily recommend it to anyone suffering from a nervous, run-down condition."—Mrs. R. M. Little.

Cleveland, Ohio. "I keep house for my husband and myself and got into a weak, run-down condition, no strength, languid and no ambition. After doctoring for awhile and getting no better I tried Vinol and to my surprise it built me up and strengthened my whole system. It is certainly a good tonic."—Mrs. Wm. D. Dawson.
