TOBACCO HABIT DANGEROUS

Says Doctor Connor, formerly of Johns Hopkins hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotrol tablets; take them as directed and by the persistence habit quickly vanishes. Druggists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotrol tablets; you will be surprised at the result.
