Albany Teachers Petition
for Increase in Salaries

ALBANY, Or., Oct. 20.--Albany
school teachers want higher pay. A
petition for increases in salaries
signed by all the teachers of the Al-
bany schools has been received by
the school board which took the
question under consideration until
more definite information of what
other similar schools in the state are
paying teachers can be received. In
expectation of a request from the
teachers for increases, the board has
already had School Clerk Hackleman
write to a number of the schools for
the different classes of teachers' sal-
aries being paid and for other infor-
mation relative to the subject.

The Germans are getting gay
again. Having buried the hatchet,
they are now sneaking out to
locate it.

People who keep boarders in
this town soon learn that the
way to make money in that vo-
cation is to utilize classified ads
as promptly and persistently as
if advertising for a lost dia-
mond.
