Soldiers and Sailors Eagerly Take Advantage of Aid Enactment

Under the soldiers', sailors', and marines' educational aid enactment of the 1919 legislature a total of 1820 ex-service men, up to Saturday night, had made application to pursue courses in Oregon schools. This is more than can be taken care of under the .2 mill tax levy for the purpose as provided in the act, and how the excess amount necessary can be provided is problematical.

OH! EACH DAY A LITTLE MORE

To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of delightful "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Help your hair grow long, thick and strong and become soft, glossy and abundant.

Not Bothered by the High Cost of Tickets for the World's Series

It's pretty tough to miss a world's series game, especially when it is being played in your home city. This photograph, taken in Chicago, shows how several boys solved the high cost of baseball problems.

AROUND THE WORLD WITH THE AMERICAN RED CROSS. In Siberia.

Possibly the most important Red Cross work in Siberia, and one which most demands the continuance of operations there, is the campaign against typhus. Over a stretch of 4,000 miles the American Red Cross has fought the scourge. Here is seen "The Great White Train," an anti-typhus institution which, with its crew of doctors and nurses and cargoes of drugs, food and cleansing apparatus, has saved the lives of thousands.

IT PAYS TO READ ADVERTISEMENTS

You've often heard the saying, "It pays to advertise." That is true. And it also pays to read advertisements—pays YOU. If you read advertisements consistently for any length of time you will agree that this statement is also true. IT PAYS YOU IN MONEY SAVED. There are many real bargains offered from time to time in the advertisements appearing in this paper. Watch for them.

IT PAYS YOU IN SATISFACTION. When a merchant asks you to come to his store he obligates himself to sell you quality goods "as advertised." You have a right to expect satisfaction from what you buy and you get it.

IT PAYS YOU IN TIME SAVED. When you know exactly what you want to buy and where you want to buy it, you don't have to "look around" and waste time finding it.

Don't YOU want to save money and time? Wouldn't you like to be sure of getting satisfactory service and quality goods every time you go to a store? Then read the advertisements and patronize the stores which can serve you best.

President Wilson's Great Speeches And Other History Making Documents

A book like this tells, as no other can, the official side of America's history in the war. It affords an opportunity for reviewing at leisure the part this government has played in the conflict from the moment of the outbreak of hostilities in the summer of 1914 up to, and including, President Wilson's speech on LEAGUE or REBELLION, upon his first return from the Peace Conference.

It is for posterity to judge the value of these documents, but to be ignorant of them is no merit, even on the part of those who do not agree with their contents.
