BLOOD THAT IS BLOOD

Any Physician Will Tell You It Is Indispensable to Health.

It is required by every organ of the body for the proper performance of its functions. It prevents biliousness, dyspepsia, constipation, kidney complaint, rheumatism, catarrh, nervousness, weakness, faintness, pimples, blotches and other eruptions.

It is pure, red, rich, free from humors, inherited or acquired. It gives vitality, vigor and vim. There is no better way for securing it than by taking Hood's Sarsaparilla, famous the world over as a blood purifier, vitalizer and enricher. If you need this medicine get it today.

Take Hood's Pills for a laxative--gentle and thorough, purely vegetable.

HAD CHRONIC BRONCHITIS FOR TWENTY-SIX YEARS NOW WELL AND HAPPY

THIS IS WORTH READING

The experience of Mr. E. J. Toupatik, 1433 Rose street, LaCrosse, Wisconsin, is chiefly remarkable on account of the length of time he was afflicted.

He writes: "I have been suffering with chronic bronchitis for twenty-six years and every winter I would catch cold and become so hoarse I could not speak for six or eight weeks. I could get only temporary relief. "This winter I was taken with a Grip and was in awful shape. A fellow workman advised me to take PE-RU-NA. By the time I had used three-fourths of a bottle, the hoarseness was gone, also that tired feeling. I am on my second bottle. Hereafter PE-RU-NA will be constantly in my house. It is the best medicine ever put up for the purpose." For any disease due to catarrh or catarrhal conditions, PE-RU-NA is equally dependable. Coughs, colds, catarrh of the head, stomach trouble, constipation, rheumatism, pains in the back, side and loins, bloating, belching gas, indigestion, catarrh of the large and small intestines, are some of the troubles for which PE-RU-NA is especially recommended. PE-RU-NA can be purchased anywhere in either tablet or liquid form.
