CATARRH DOES HARM

Whether Is Is of the Nose, Throat, or Other Organs, Get Rid of It.

Catarrh of the nose or throat when it becomes chronic weakens the delicate lung tissues, deranges the digestive organs, and may lead to consumption. It impairs the taste, smell and hearing, and affects the voice. It is a constitutional disease and requires a constitutional remedy.

Take Hood's Sarsaparilla which by purifying the blood removes the cause of the disease and gives permanent relief. This alternative and tonic medicine has proved entirely satisfactory to thousands of families in three generations.

If there is biliousness or constipation, take Hood's Pills—they are a thorough cathartic, a gentle laxative.

RHEUMATISM

Prevented Him Using Arms to Feed Himself. Recommends 46.
Augusta, Ga., May 26, 1919. "I suffered with rheumatism and indigestion and at times could not use my arms to feed myself. I tried every remedy I heard of with only temporary relief. I was advised to try Number 46 For The Blood which I did with splendid results. While I am not entirely well I feel like a different man and expect to continue Number 46, believing it will cure me. I have told several of my friends of 46, which they are taking with great results. I cheerfully recommend No. 46 to any one suffering from any blood or stomach trouble." Wesley Royal. Witness to signature, J. M. Haysie. Made by J. C. Mendenhall, Evansville, 40 years a druggist. Sold by Perry's Drug Store.
