"SNAPPY" TO BE DANCE KEYNOTE

Capital Post, American Legion, Plans Gay Time on Armistice Day

"Make it snappy" is the watchword of the committee of Capital Post No. 9, American legion, which is in charge of the Armistice day dance which is to be given in the armory by the post, November 11. The dance will be free to all service men and women and friends but no other s will be allowed on the floor.

It is the plan of the committee, of which Leo Page, Karl Hinges and Fred Mangis, are members, to put a lot of kick in everything except the punch. The music, the decorations, the special features, the general management in everything, will be

governed by the key-note, according to the committee.

The orchestra has been chosen carefully, notably as a group, but as individual artists. The members are I. R. Wroten, violin; Charles Pabst, cornet; Oscar Steelhammer, trombone; Mrs. Lillian McElroy Hunt-Richard Ryley, string bass, Charles Poppa, clarinet; Miller Bevier, flute and Arthur Laflar, drums.

Warning Lights Must Be Placed on Woodpiles

Woodpiles in streets or alleys must be lighted with a lantern or other light according to an ordinance which requires that all obstructions in Salem streets be provided with lights in order to prevent accidents. This provision has not been complied with by many owners of woodpiles that have not been removed from the streets.

The police received a report last night that a woman driving an automobile ran into an unlighted woodpile near the intersection of Court and Twelfth streets. No damage was

reported but the owner of the fuel supply agreed to place the necessary lights upon the obstruction.

And now the fun on the farm: want a limit fixed for their hours of a day's work. Will the husbandman never be satisfied? But, really, the task of counting money is an enormous one, and it might be well to fix a limit.

HAVE COLOR IN CHEEKS Be Better Looking—Take Olive Tablets

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must keep your body free from poisonous wastes. Dr. Edwards' Olive Tablets (a vegetable compound mixed with olive oil) act on the liver and bowels like cholera—yet have no dangerous after effect. Take one nightly and note results. They start the bile and overcome constipation. That's why millions of boxes are sold annually. 10c and 25c.
