

BOYS PENITENT FOR PILFERING

Four Boys Make Clean Breast of Thefts and Judge Gives All Advice

Dreams of easily acquired wealth had vanished overnight and a thoughtful quartet of lads accompanied by their parents, assembled in Judge Bushey's office at the courthouse yesterday afternoon. The boys none of whom was more than 16 years old, were Earl Viesko, Carl Berdwell, Floyd Satterlee and Perry Walcher. Systematic pilfering of the shop of B. W. Walcher, Perry's father, culminated in the discovery by the police of the guilt of the lads. The boys as counseled by their parents, had decided to face the matter squarely and to take what punishment was meted out to them. Judge Bushey, upon a full presentation of the cases, decided to put the boys upon their mettle and to give each one a chance to return to his home and to take better care of future bad plans and associates. Floyd Satterlee spoke for the other lads when he said he had learned a lesson and

RED CROSS GIVES FULL ACCOUNTING

War Council Tells How Millions Contributed by Public Were Used For Relief.

BIG TASK IS DESCRIBED

In Twenty Months \$154,000,000 Was Spent Overseas and \$119,000,000 in the United States.

Washington, (Special.)—Through a complete report of the work of the American Red Cross in the war by Chairman Henry P. Davison, on behalf of the war council, the organization on the eve of its annual enrollment of members during the Third Red Cross Roll Call, November 2 to 11, has rendered an accounting of the many millions given it by the American people to help our fighting men and our allies. The statement is, in part, as follows:

"The war council of the American Red Cross is now prepared to make a complete accounting to the American people of money contributed and expended, as well as the work done by the American Red Cross during the period in which the war council was in control of its affairs. The war council was appointed May 19, 1919, and went out of existence February 28, 1919.

"It was the practice of the war council to give complete publicity to its policies and finances, but it is only now that a picture of the war period as a whole can be presented. It is the feeling of the war council that a report in this summarized form should be made directly to the public which provided the money and gave the effort which made the American Red Cross a success.

"A statement of the American Red Cross effort and finances since the war council relinquished its control will be made to the public through the executive committee, and it is important, therefore, that the fact that this report covers the period only until March 1, should be carefully noted."

Following are certain round figures covering American Red Cross participation in the war, as revealed by the war council's report:

County Not Paying Penalty Says Treasurer D. G. Drager

D. G. Drager, county treasurer, does not agree with a statement that was given out at the state treasurer's office Tuesday to the effect that counties that had not paid in the second half of their state taxes by November 1 are subject to a penalty of 6 per cent from that date. He declares that the law still gives the counties 30 days as heretofore in which to turn over the money. Marion county's state tax on the second half payments amounts to \$61,064.30 and it is the intention of the county treasurer to keep it in local banks drawing interest until the 30 days limit has expired. This will net the county \$214 in interest.

Floral Society Plans Meeting for November 13

At a meeting of the Salem Floral society in the Commercial club auditorium Wednesday night, plans were made for a special meeting of flower lovers and all others interested in making Salem the most attractive, "best dressed" city in the Willamette valley. The meeting is scheduled for November 12 and will be held in the Commercial club auditorium. All Salem citizens are invited.

The Floral society intends to demonstrate that beautiful flowers, attractive trees and shrubbery can be maintained with very little expense, considering the added value to property. Another aim of the society is to keep down the ugly growths of weeds along highways and railroads.

DALLAS, Or., Nov. 6.—(Special to The Statesman.)—Oliver Baker, proprietor of a pool and billiard hall at Falls City, was bound over to the Polk county grand jury by Justice of the Peace John R. Sibley at a hearing held in Dallas Wednesday afternoon. Baker is alleged to have cashed a check for some \$80 at the M. L. Thompson drug store and after receiving the money is said to have picked up both check and money and departed. Baker denied cashing the check at the drug store, stating that he had it sent to the bank for cashing. Justice Sibley, after hearing a number of witnesses from Falls City, held Baker to appear before the grand jury at the January term of court under \$500 bonds.
