Vast Acreage May Be Watered From Stream

A specially appointed commission of the state of Washington is making surveys and preliminary plans for taking water from the Pend Oreille river for the irrigation of nearly 2. 000,000 acres that are enclosed in the big bend of the Columbia and Snake rivers, and investigation discloses that there will be water enough, if plans are workd out, to irrigate in addition a large area of country in northeastern Oregon. south of Walla Walla and Wallula. Ivan E. Goodner, office engineer for the commission has written Percy A. Cupper, state engineer, to ascertain if he is interested, and asks for maps of the Walla Walla valley end of the Umatilla quadrangle. This will be furnished by Engineer

GOOD BUYS

cood bears out the view previously expressed among members of the diplomatic corps in London that Litvinoff, on behalf of the Bolsheviki regime in Russia, intended to make other proposals than those relating to prisoners.

Peace Move Rumored.

There are rumors that the Bolsheviki will try to effect a peace with the entente through Mr. O'-Grady.

Private advices concerning the conference in Copenhagen say that the Bolsheviki attitude is most conciliatory. Among other things, Litvinoff is said to have offered to telegraph Moscow, Petrograd and other Bolshevik cities to obtain full reports as to the condition of British subjects in those places.

While Great Britain is deeply interested in the trend of affairs at Copenhagen, it was re-affirmed to-
