NASAL CATARRH

Though Very Common It Is a Serious Disease—Worse at This Season.

It is an inflammation of the mucous membrane causing a discharge, and is aggravated by colds and sudden changes of weather, but depends on an impure condition of the blood. When chronic it may develop into consumption by breaking down the delicate lung tissues and impairing the general health.

Begin treatment with Hood's Sarsaparilla at once. This medicine purifies the blood, removes the cause of the disease, and gives permanent relief. It has been entirely satisfactory to three generations.

If a cathartic is needed take Hood's Pills—they are gentle and thorough, enliven the liver, regulate the bowels.

MORE FORDS TO COME TO STATE

Valley Motor Company Gets Enough to Fill All Orders Now on File

John Harbison, Ben Vick and Watt Shipp have returned from Portland where they attended the Ford and Fordson dealers' convention held at the Hotel Benson on Friday from 12:30 to 5:20 in the afternoon and 7:30 to 11 in the evening. Many matters of great importance regarding the Ford sales, policies, service and general distribution of Ford products were taken up, also a new film recently received from the Fordson factory, entitled "Keep the Boy on the Farm," was shown and was highly interesting. This film will be shown in Salem during the corn show at one of the local theatres.

The Valley Motor company was highly complimented as leading all Oregon dealers for bonafide orders on file; namely 128, and as a reward for their endeavors, they were informed by Mr. Stillwagon, the new Ford manager for Oregon, that through his efforts since coming to

his new territory, he had succeeded in winning his fight for an extra allotment of Ford cars as a Christmas gift to the loyal and hard working dealers of the state, he gave the glad news that the Ford factory would take care of and fill all orders on file and make delivery on or before January 15. This good news means the Valley Motor company will receive by January 15, 128 cars. Undoubtedly this is the largest allotment of Ford cars that has ever been received by one dealer, in the state of Oregon.

Too much credit cannot be given Mr. Stillwagon for his endeavors in getting this extra Oregon allotment. He has recently taken over this territory and by his supreme efforts is certainly putting Oregon on the map with the Ford Motor Car company.
