

# IN A SOCIAL WAY

By RUTH LENORE FISHER

Mrs. Clifford Brown proved herself a delightful hostess Saturday evening when she entertained six friends informally at dinner. A bowl of pink carnations and white freesias formed an attractive centerpiece for the table at which covers were laid for eight.

Misses Sallie Melville and Irene Campbell of Portland were house guests of Miss Ruth Johns over the week end. Mrs. William Shaw of Vancouver was also a guest of Miss Johns during her stay in Salem in attendance at the Cherrian dinner dance.

The Philodorian Literary society of Willamette university held its annual scrap bag program Friday afternoon at the home of Miss Margaret Bowen. Bits of oratory, music, dramatics, and general surprises fell from the bag when the president pulled the strings. The scrap bag program is always one of the most popular ones of the year and this time it received its full share of appreciation.

The F. F. F. club composed of Paul Done's class in the First Methodist Sunday school entertained Saturday evening with a theatre party at the Oregon. The guests of the club were members of Miss Beryl Holt's class. From the theatre the young people went to the old parsonage of the church where a dainty two-course luncheon was served. Miss Holt and Paul Doney chaperoned the party.

Mr. and Mrs. C. J. Edwards of Tillamook are house guests of Mrs. Edwards' uncle and aunt, Mr. and Mrs. B. C. Miles, during the special session of the legislature. Mr. Edwards is representative from Tillamook county.

The Business and Professional Women's club of the Y. W. C. A. will meet at the Y. W. tonight from 7:30 till 8 o'clock. On account of the Apollo club concert there will be no social hour following the business meeting. As matters of importance are to be taken up all business and professional women, and especially members of the club, are urged to be present.

Mrs. Mark McCallister and two children returned Sunday from a ten days' visit with her parents near Corvallis.

## WATCH LIVER AND BOWELS TO AVOID COLDS, FLU AND GRIP

### Mothers Should Keep Children in Best Condition

Any physician will tell you that a very large per cent. of illness could be prevented if people would keep their livers, kidneys and bowels working. When these organs become sluggish your resistance against disease is lowered by the poison waste matter which should have been carried off.

You actually invite disease germs when you neglect yourself. Blisters, headaches, sluggishness, are all danger signals. Don't ignore them, especially at this time of the year. Get a package of Lincoln Tea. Take a cup each night and you'll be surprised how quickly it will put you in tune and make you feel like new.

This famous old herb tea is unexcelled for chronic constipation, headaches, colds, grippe, influenza, rheumatism, etc. Acts gently and does not create the physic habit. Pleasant to take and inexpensive. Nothing better for the children. Sold at all druggists.—Lincoln Proprietary Co., Ft. Wayne, Ind.

## Worn Out In Mind and Body

Your child is quick to observe disturbances in your mental attitude or physical condition. And when he asks: "What's the matter, Daddy?" there's a tone of solemn anxiety in his little voice. The depression stamped upon you reflects intensely upon him because of his profound sympathy. He at once drops his playthings and rushes to your side, but his happy smile has disappeared and his buoyant spirits are gone—replaced by a countenance of worry and a bearing of hopelessness.

### LYKO

The Great General Tonic will banish that "tired feeling" and dispel that worn-out look. It will renew your strength and vigor, overcome the ravishing effects of overwork and worry, revive your spirits and increase your hold on life. Being a refreshing appetizer, a valuable aid to digestion and a worthy promoter of the general health, because of its positive revitalizing and reconstructive value, its use is especially desirable in cases of subnormal conditions. If you suffer from nervous exhaustion, muscular or mental fatigue, or deficiency of vital force due to general weakness or wasting illness, you'll find "LYKO" particularly beneficial. It tones up the entire system and keeps you feeling fit. Ask your druggist for a bottle today.

### Try This If You Have Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.
