Are virtues to be practiced at all times. During the present week especial emphasis is made by the National Headquarters on the various ideas of thrift and the advantages of thrift practised by everyone.

Home Products Week

Buy products made here thereby assisting in the establishment of bigger industries and at the same time save your own money to circulate in your own community.

This store at all times offers only merchandise that will give the purchaser full satisfaction for the amount of money expended.

Women's, Misses' and Children's Wearing Apparel.

That meets all the requirements of real economy, and thrift.
