40 YEARS ON THE JOB

I put in 40 years as practical druggist (now in my 47th year) and compounder of prescriptions before I put Number 40 For The Blood on the market and at this late date in life I would not recommend a medicine that I did not believe was equal or superior to any other. I have observed the effect of Number 40 in thousands of cases and use it universally in my own family for blood poisoning in any form. For constipation, biliousness, stomach and liver troubles. For chronic rheumatism, catarrh, eczema and all skin troubles. There is more Number 40 sold and used in this vicinity than all other blood medicines combined. J. C. Mendenhall, Evansville, Ind.
