Suits Are Going Big

Every day there are new arrivals for the suit department and from all indications the demand will be strong for good quality suits for the spring season. Manufacturers have been bending every effort to make this a suit season, and from the early arrivals the season will be a rushing one partly on account of the real quality in style, material and workmanship in the garments and partly because the prices are not as high as many have been led to ex-

Charming New Suits

Are here in great variety of styles, materials and colorings. Here you will find fresh new garments direct from the fashion centers. Prices are decidedly reasonable, everything considered. An early visit here is advantageous.
