

SOCIETY

By RUTH LESORE FISHER.

PROFESSOR T. S. ROBERTS and Mr. and Mrs. Thomas W. Hall, nee Mary Roberts Myers, were delightfully surprised Saturday evening. The occasion was Professor Robert's birthday, and as Mr. and Mrs. Hall had been married that afternoon they were honor guests together. Mrs. Roberts took them motoring for a while in the evening and when they returned to the Roberts home about 16 guests were assembled to greet them. After the surprise was over the evening was spent in social chat and music. In the dining room where a delicious supper was served the table was centered with a small doll bride and yellow shaded candles finished the table decorations. Yellow spring flowers gracefully adorned the remainder of the rooms.

Mrs. A. L. Steiner and Mrs. M. C. Pettys were joint hostesses Saturday evening at the Steiner home on the Wallace road in Polk county, at an enjoyable evening of five hundred. The guests were the members of the Monday Afternoon Bridge club, and

their husbands. Mr. and Mrs. F. M. Brown and Miss Nellie Taylor of the Wallace road were additional guests, and made up five tables at cards. Afterwards light refreshments were served.

The local post of the American Legion will give a dancing party Wednesday evening in the armory which will be a very pleasant affair for the dancing set of Salem.

Mr. and Mrs. Theodore Barr entertained over Sunday the seven men and the coach of the Columbia University in Portland basketball team. The team came up for a game with the Cardinals.

Henry Bolinger III celebrated his second birthday anniversary Sunday at the home of his parents, Mr. and Mrs. Henry S. Bolinger, a few miles south of Salem. A prettily decorated dinner table which was centered with a birthday cake was a feature of the event. The guests were Mr. and Mrs. Gordon McGilchrist and children, Mr. and Mrs. H. E.

A Simple Way To Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely destroy and entirely dissolve every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

Bolinger, Mr. and Mrs. James McGilchrist and children, Miss Nellie Endicott, Master Henry and his parents.

Miss Florence Cory of Portland is home with her parents, Mr. and Mrs. W. W. Cory, for the week end and Washington's birthday holiday. Sunday they were joined by F. N. Huddleston of Portland who came up for the day as the Cory's guest.

Mrs. Winnie Brown and her son, Glenn, are visiting Mrs. Brown's parents, Mr. and Mrs. M. E. Charldon, who live on the Fair Grounds road.

The Rebecca lodge enjoyed a delightful Valentine party recently in their lodge rooms. Games appropriate to the season and music were the diversions of the evening. Light refreshments were served at the close.

Miss Hazel Downing returned last night from passing the week end in Portland with friends.

Mr. and Mrs. Walter Buchner, Miss Dorothy Buchner and Miss Ruth

Buchner motored to Portland yesterday to pass the day.

Mr. and Mrs. A. N. Derby and daughters, Catharine and Mary, and Mrs. Fred Collins of Portland are visiting at the F. N. Derby home for a several days' stay.

Mr. and Mrs. S. S. East have as their house guests, their son in law and daughter, Mr. and Mrs. Hugh Kyle of Stanfield, Oregon, who are spending several days in Salem. Mr. and Mrs. East were also joined over the week end by Mr. and Mrs. W. H. East of Portland.

Miss Valerie Briggs and Miss Marie Briggs were in Portland over the week end and to spend Washington's birthday.

Mrs. Ralph White and her daughter, Miss Margaret White, were in Portland over the week end visiting friends.

Miss Bernice Craig and Miss Grace Holt passed the week end in Portland as the guests of friends.

Mrs. E. Cooke Patton and her daughter, Miss Luella Patton, returned last night from passing the week end in Portland with friends.

Mrs. Arthur Brock of Portland is visiting her mother, Mrs. Lizzie Smith, on Center street.

Miss Elizabeth Bayne spent a short time Sunday with her parents, Mr. and Mrs. John Bayne. Motoring back in the evening with friends she was accompanied by her sister, Miss Florence Bayne of Portland, who was spending a few days here. Miss Florence Bayne returned to Portland last night.

OUCHI LAME BACK
Rub Backache, Lumbago, Soreness and Stiffness Away—Try This!

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges. Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get blessed relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on and out comes the pain. It is per-

fectly harmless and doesn't burn or discolor the skin. Limber up! Don't suffer! Get a small trial bottle from any drug store, and after using it just once you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

The True Cost of a Corset Must Be Judged By Its Quality

THE prices of corsets are high. We are not responsible for that. But we are responsible for the quality of our corsets.

We must be—and we are—sure that the woman who buys a corset of our make, will be able to wear it longer than any other corset for which she pays an equal price

The true cost of a corset is at once apparent when the purchase price is divided by the number of days worn.

The cost per day of a Warner-made corset is low because the quality is high.

SALEM ROTARY CLUB MEMBERS ATTEND CHURCH

Rev. W. C. Kanter Preaches Interesting Sermon on Text "Wanted A Man"

(BY J. P. HUTCHASON)
As a part of "All Rotary" week the members of the Salem Rotary club attended services Sunday night at the Congregational church. Did I say attended? I made a mistake—a small percentage attended. Can't tell a thing about the reason the attendance was so small. As all Rotarians are supposed to be four square and equal to any and all emergencies I supposed every member would be present. Maybe most of them thought they might hear some things about what a Rotarian should be that they couldn't live up to, but such was not the case.

I don't think it was an oversight for I am sure the meeting was well advertised. It couldn't have been because some had to go to their own church for the meeting was placed in the evening for that very reason. Anyway, more Rotarians stayed away than attended and as long as they have a good reason or no reason I have no criticism to offer. I am glad I attended and I feel sure that every Rotarian and his wife who did attend were glad that they came out.

The church had been beautifully decorated and as the Rotarians filed into their seats the delightful strains from the pipe organ came to offer a welcome.

A well trained quartet furnished most excellent music and Mr. Gilie rendered a solo in his usual perfect habit.

Rev. W. C. Kanter took as his text, "Wanted A Man," and I assure you that it was very appropriate for the occasion. His talk was wonderfully inspiring and his respects to "Rotary" were right to the point. I am sure that every member present will be a better man for having listened to Dr. Kanter as he measured man as he should be. He did not ask that he belong to some church, but he did insist that he be a man.

Dr. Kanter pointed out that the Rotary club would be a great benefit to Salem and especially to the individual members. He predicted great things in store for the organization in the future and admonished the members to study to live up to the teachings of the society.

Two reels of movies were displayed after the regular church services. The church has a fine machine and a good operator and the reels were a fitting finish to the evening.

The Rotary club holds a luncheon every Wednesday at noon. However the coming Wednesday will see the program changed and the members and wives and friends will go to the Cherry City Bakery at 6 p. m. where they will be the guests of Roy Wise at a banquet. There will be special music and good speaking and the best of eats. I predict a full attendance for this meeting closes the week and all are expected to come.

SIGN TORN DOWN BY BURLY NEGRO

Exception Taken to Ruling That Only White People Were Acceptable

The sign in the window of the Blue Bird cafe which announces that only white persons will be served there is reported to have caused a small commotion as a result of which

H. A. Bost, a negro, was arrested. He was freed under bond of \$10 as his case could not be heard on the holiday.

Mrs. R. C. Cook, a waitress in the cafe, complained that Bost had made a disturbance and applied to her a vile epithet when she did not wait on him. When she pointed to the offending sign Bost tore it down. Officer W. J. White responded to the

summons and arrested the man. Bost admitted to Night Sergeant Elmer White that he had torn down the sign but complained of the general discrimination against negroes in hotels and restaurants. He will appear before Judge Race this morning.

1,500,000,000 Miles of Evidence

Statisticians calculate that Maxwell cars the world over traveled 1,500,000,000 miles last year. What a gigantic test of gears, bearings, axles, crankshafts, and the 3,000 other pieces of steel in a Maxwell car!

Had these metals shown a single chronic weakness their makers would have suffered a far-reaching penalty. Instead these 1,500,000,000 test miles—equal to 57,000 times around the equator—put a great premium on the Maxwell.

So great that it is becoming more and more difficult each day to get a Maxwell.

To fill this ever-growing and friendly demand for Maxwell, 100,000 are being built this year, bringing the total of Maxwells now in use on the road to 400,000. The 100,000 will fall far short.

Possibly 40,000 persons will have to purchase a second choice car.

To be sure of your first choice see the Post-War Maxwell without delay.
