YOUR FRECKLES

Need Attention in March or May Stay Covered
Now is the time to take special care of the complexion if you wish to look well the rest of the year. The March winds have a strong tendency to bring out freckles that may stay all summer unless removed. Now is the time to use Othine—double strength.

This preparation for the removal of freckles was written by a prominent physician and is usually so successful that it is sold by druggists under guarantee to refund the money if it fails. Get an ounce of Othine—double strength, and even a few applications should show a wonderful improvement, some of the smaller freckles even vanishing entirely.

business meetings will be held in the Masonic temple.

Their many friends are happily anticipating the coming of Mr. and Mrs. Raymond Welsh and their daughter, Priscilla, of Sacramento, Cal., who are expected to arrive in Salem for an indefinite stay with Mrs. Welsh's parents, Mr. and Mrs. Dan Fry. Mrs. Welsh is always the motif for many social affairs during her visits in Salem.

Of much interest to society folk is the return home Wednesday night of Mr. and Mrs. Russell Catlin from San Francisco and Phoenix, Ariz., where they have been wintering. Mr. and Mrs. Catlin left Phoenix a few weeks ago and spent the remainder of their stay in the south in San Francisco.

Cheery notes and dainties are being sent to Mrs. Paul Hauser who is at the Salem hospital where she underwent an operation for appendicitis yesterday. Mrs. Hauser is reported progressing satisfactorily.

The women's clubs of the city are taking an active interest in the movement for the new Salem hospital and are raising money for it. Some are furnishing and endowing one or several rooms. The P. E. O. Sisterhood, Chapter G met yesterday

Cocoanut Oil Makes A Splendid Shampoo

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Multisifted cocoanut oil shampoo (which is pure and entirely greaseless), is much better than anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get Multisifted cocoanut oil shampoo at most any drug store. It is very cheap and a few ounces is enough to last everyone in the family for months.

afternoon at the home of Mrs. W. W. Moore, 635 North Church street, and among other business taken up with the discussion of the chapter's contributing toward the new hospital. The members present all voted to do so but in just what form this will be will not be decided until a later meeting when all members can vote on the question.

The members elected officers for the new year as follows: President, Mrs. F. W. Seeley; vice president, Mrs. Gerald Volk; recording secretary, Miss Laura Grant; corresponding secretary, Mrs. G. W. Latlar; chaplain, Mrs. William McGilchrist, Sr.; and guard, Mrs. Will T. Kirk. All of the business meeting a social hour followed and refreshments were served by the hostess.

Willard Marshall will go to Portland tonight to spend the week-end with friends.

Mrs. Fred H. Thompson is spending a few days in Portland visiting relatives.

Mr. and Mrs. George Waters are home from Portland where they spent a week visiting friends.

Dr. and Mrs. Carl Gregg Doney have as their house guests E. Willsie and G. Buzzard of Albany who are in Salem during the basketball conference.

Easy Way to Remove Freckles and Eruptions

Some women have skin of such texture they occasionally are annoyed by the sudden appearance of freckles, slight eruptions or fine lines. March winds usually play havoc with skins of that kind. In such cases if one will procure an ounce of common vasoline, use it at any drug store, apply a little of it before retiring, like cold cream, she can easily overcome the trouble. When the wax is washed off the next morning almost invisible flaky skin particles come with it. The entire outer cuticle is removed in this way in a week or so, with all its defects. No bleach could so effectively remove freckles or blemishes. The new surface is smooth, clear, fresh looking. No harm or inconvenience accompanies this simple treatment.

TREATY HOPE IS SOME BRIGHTER

Democrats Gradually Seek Shelter Under White Flag

WASHINGTON, March 4.—Two more peace treaty reservations were adopted by the senate today after their original terms as framed by Republican leaders last November had been modified to conform to agreements of the recent bi-partisan compromise conference.

One, withholding assent from the Shantung settlement, was changed on motion of the Republican leaders themselves, and by practically unanimous vote. Consideration of the other however, modified by American representatives in the league of nations, raised a bitter controversy which in the end broke down, first time since early November the solid Republican line up behind the Republican reservation program.

The language finally substituted for the Republican draft of the league representation reservation was written by Senator Walsh, Democrat, Montana, and by him was laid before the bi-partisan conference. Today it was offered in the senate by Senator Lodge, who objected to
