## P-T CIRCLE AT LINCOLN ACTIVE

New Officers Are Installed, Addressed Heard and Refreshments Served

The regular monthly meeting of the Parent-Teacher circle of Lincoln school which was held Tuesday evening was one of the best attended and most enthusiastic meetings ever held by the association.

A very interesting program was rendered, as follows:

Recitation, "The American Creed" by Roy McHenry; Boy Scout stunts including demonstration of resuscitation from drowning under the direction of P. A. Foster; songs by third grade pupils led by Miss Cushing; recitation by Lolita and Loreta Viesco; solo, Adelbert Viesco; address, "Organization of the Girl Reserves," by Miss Cook, secretary of the Y. W. C. A.; address by Miss Clark, principal of Lincoln school.

At the conclusion of the program light refreshments were served.

The business of the meeting consisted of the setting of the newly elected officers: President, A. C. Bohrnstedt; first vice president, Mrs. J. W. Harbison; second vice president, W. C. Squier; treasurer, Mrs. E. E. Martin.

A vote of thanks for efficient service was tendered Mrs. J. W. Harbison, the retiring president.

Mr. Bohrnstedt, the newly elected president in a few remarks thanked those present for the honor they had bestowed on him by electing him president of the association and assured them that he would in every way lend his best efforts to the upbuilding of the school.

Miss Cook's address on "The Organization of the Girl Reserves" was interesting and instructive from start to finish and she was roundly applauded.

Mrs. Clark, principal of the school expressed her pleasure at the enthusiasm shown by those present, and said she hoped the parents would at all times be as "wildly enthusiastic over the welfare of the children as they seemed to be at the present time over the welfare of the dogs."

She said she regretted the crowded condition of the school and looked hopefully forward to the time when each class a room to itself, and would not have its attention distracted from study by the recitations of other classes in the same room.

Salem is away ahead of many other communities in many civic matters," said Mrs. Clark, "but other cities have already inaugurated the one class to a room idea with surprisingly good results."

Mrs. Clark's address was listened to with rapt attention.

The flag contest resulted in the flag being awarded to the third grade which had the largest attendance of parents at the meeting.

The following standing committees were appointed by the chair:

Membership committee—W. C. Squier, Mrs. Luther J. Chapin, Mrs. Alma Ulrich.

Amusement committee—James Elvin, Miss Rosequest, Mrs. George Shaw, Mrs. Teeple, P. A. Foster.

Civic committee—E. A. Rhoden, Mrs. J. W. Harbison, Mrs. G. Satterlee, J. W. Marung, C. A. Arpke.

## THIS IS THE TIME For You to Think of BREAD

More wheat is grown in America than any other country in the world. Yet we eat less bread per person here in American than is eaten in any country of Europe.

This is wrong. BREAD is more healthful, more nourishing, more economical than any other form of food.

Americans should eat more BREAD.
