BITS FOR BREAKFAST

Catching up on precipitation.
But few care particularly whether we catch up.

Ratification may be very near, and it may be a long way in the future. You are as good a guesser as the next fellow.

Some question as to the status of the American troops on the Rhine; whether they are under Foch or on their own. Either way, they will give a proper account of themselves if either or both or all factions in Germany get fresh with them.

Beans is Thursday's slogan subject. And when it is published we will all know beans—or a good deal more about beans than most of us ever knew before.

The price of wood in Salem is too high—even considering the high prices of labor and the altitudinous attitude of nearly everything else. Some one, with good organizing abilities and good barking, ought to

clean up a lot of money on wood—and bring the prices down somewhat too.

Still, houses to rent are scarce. And those extra people who will have to come to Salem to work in all the new and enlarged factories will have to find somewhere to live.

Simple Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this just get about four ounces of plain, common liquid arven from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and will look and feel a hundred times better.

American Legion Will Conduct Soldier's Funeral

The funeral of the late Sergeant John Harvey Green, former Salem man who died March 9 at Fort Sheridan, Ill., from wounds which he received in Belleau Wood, France, while in action, will be held this afternoon at 2 o'clock from the Riddon chapel. Burial will be in Odd Fellows cemetery. The body will arrive this morning from the east accompanied by one of the relatives. His widow and his parents and other relatives arrived last night from their home at Mabton, Wash.

The members of the American Legion are to have charge and it is asked that as many as possible attend, also that all those who have automobiles bring them.
