HOW DO YOU LIKE THE LOOKS OF THIS PARTY?
You can't blame him for looking sour. He has the Grip, a grouch, his nose runs, his bones ache, and he looks on the world through blue glasses, just as we all do when we have a Cold.
You need a medicine to reduce the fever, stop the ache, carry the cause out of the system. Here is a preparation that is fever-reducing, anodyne, and pleasantly laxative. Try one box. You will like it.
