

POLITICAL GOSSIP OF STATE AND LOCALITY

HAWLEY FILES AS CANDIDATE

W. C. Hawley of Salem, representative of the first Oregon district in congress yesterday filed with the secretary of state his declaration as

a candidate for re-nomination by the Republican party. The slogan which served him through previous campaigns, "No interests to serve but the public interests," will again appear after his name on the ballot. Senator Julian Hurley, who has represented Grant, Harney and Malheur counties in the state senate at two regular and one special session of the legislature, and who is a candidate for re-nomination will have his name put into the running and Mr. Hurley yesterday filed with the secretary of state his declaration of intention as a candidate. His home is at Burns. Other candidates who filed yesterday were: M. C. George, Republican of Port-

land, for presidential elector. W. P. Lafferty Republican of Coquille, for representative in the legislature from the 10th representative district. Millard F. Hardesty, Republican of Seaside, for representative in the legislature from the 19th district. Loyal M. Graham, Forest Grove, candidate for the Republican nomination for Representative from the 11th representative district. Alfred E. Clawson, Joseph, Ore., candidate for the Republican nomination for district attorney for Walla Walla county. S. E. Holcomb of Portland filed as a candidate for delegate to the Democratic convention.

XCUSE MY DUST

the receipts in the corporation department and quit operating in the state. The land is supposed to be located in Mexico.

CONTROL BOARD TO SELL BONDS

Highway Commission Requests Big Batch to Match Federal Funds

For the construction of post and forest roads the state highway commission has requested the state board of control to issue \$2,500,000 of the state highway bonds to meet aid from the federal government under the co-operative federal aid law enacted at the special session of the legislature.

The highway commission has requested that a block of \$1,000,000 be sold at this time and the remainder at the request of the commission.

Under the original Bean-Barrett act authorizing the issue of \$1,800,000 the board already has issued \$1,200,000, which with the amount now requested by the commission totals \$2,400,000. Under the act of the special session the state is able to match any amount that may be made available from the government. Under the Bean-Barrett act the amount was limited to \$1,800,000 as interpreted by the supreme court.

Portland Plans to Reduce Six Cent Fare

PORTLAND, Or., March 26.—Plans for bringing about a reduction in local street car fares to a point below the present mark of six cents were discussed at a conference between members of the city council and members of the state public service commission. The proposals advanced mainly contemplated the removal of certain fixed charges now made by the municipality against the street car company, and also the submission to vote of the people of the question of purchase of the car tracks by the city. It was arranged that members of the city council will go to Salem April 5 and inspect data on the street car situation which were gathered by a public service commission in its recent investigation of the fare question.

Snow in Northwest Oregon 14 Inches Deep

PORTLAND, Or., March 26.—Because of the depth of snow falling in the hills of western Oregon and Washington since the middle of this week several logging camps have been compelled to close down and it will be the first of next week before logging operations can be resumed, according to reports reaching here today. Reports from six typical logging camps which in the aggregate have produced 1,500,000 feet of logs daily since the first of January disclose the prevailing weather conditions in the woods. In the vicinity of Cochran and Timber, Ore., operations have been stopped because of there being from 8 to 14 inches of snow. A camp near Yacont, Wash., has eight inches of snow and one at Midway, Ore., 14 inches of snow.

SILVERTON PERSONALS

SILVERTON, Or., Mar. 25.—(Special to The Statesman)—A number of Trinity people met at the home of Rev. George Henriksen Sunday afternoon and motored to the home of Edwin and Miss Ella Svarvari and gave them a surprise. Mr. and Miss Svarvari are recently from South Dakota. Miss Svarvari, an O. A. C. student, spent the first of the week at Silvertown as the guest of the M. J. Madsen home.

Mr. and Mrs. Austin Eastman and Mrs. Eastman's mother, Mrs. E. Gunnerson, have gone to California where they will remain for a few weeks.

Miss Thea Jensen of Portland is at her mother's home for a short vacation.

Rev. George Henriksen spent a part of the week at Seattle.

Alvin Hemmingsen spent the week end at Portland.

Martin Tingstad was at Salem Monday and Tuesday.

Spud Price Rises With Very Limited Supply

PORTLAND, Or., March 26.—The retail price of potatoes here today was seven to seven and a fourth cents a pound, the highest on record. Stocks were reported unusually low, and dealers declared it doubtful if enough could be obtained at any price to supply the trade until the new crop is available.

Briefs to Be Submitted Concerning Daily Estate

Whether the estate of the late Judge Bernard Daly of Lakeview is subject to the inheritance tax of the state is a question now pending with Attorney General Brown, who will not pass on the question until briefs are submitted by the attorneys for the estate.

Practically all of the estate, amounting to \$700,000, was left to the poor children of Lake county for the purpose of educating them in the schools of Oregon. W. P. Heryford, J. D. Heryford and Fred Reynolds are executors of the estate.

HIGH PRICES MAY CAUSE ILLNESS

At this season of the year when fresh vegetables are so high many persons suffer from indigestion. If you feel dull and sluggish, or if you suspect indigestion or constipation you will feel better tomorrow if you take a Foley Cathartic Tablet tonight. They banish biliousness and headache. J. C. Perry.

Ten-Hour Law Means Just What It Says, Avers Brown

The state law prohibiting the employment of men in mills or factories more than 10 hours in any one day, except that they may work three hours overtime at a pay rate of time and a half, means exactly what it says and permits of no deviation by employing men at piece work.

This is the opinion of Attorney General Brown in reply to inquiry from C. H. Gram, labor commissioner, enclosing a letter from Thomas McCusker, secretary-manager of the Industrial Association of Oregon. The law in question is chapter 102, laws of 1917.

Mr. McCusker, in his letter to Mr. Gram, explains that he has been asked by a member of the association, who desires on occasion to work in excess of ten hours, whether the rate for piece work would have to be based on time and a half where overtime is put in, or whether a straight contract to do piece work at so much a piece would come under the provisions of the act.

The attorney general says no exception is made for piece work.

Commissioner Schulderman Nabs Two Violators of Law

Two men named Julian and Roberts were nabbed in their offices in the Portland Chamber of Commerce building Thursday by H. J. Schulderman, state corporation commissioner, who halted them in a career of disposing of land and stock in violation of the Oregon mine sky law. As agents of the Mexican Land company the men were carrying out a scheme of selling land in 20-acre tracts and giving with it 200 shares of stock in the Astec Oil company. Mr. Schulderman believes the agents were innocent of any intent to violate the law and were allowed to go upon promising to return money received from purchasers, file
