Miss Mary Holms of O. A. C. is spending the week-end in Salem with her sorority Chi Omega sister, Miss Eulalia Lindsay, and to attend the J. C. dancing party last night.

New Ethics in Dentistry

THE health of the people is one of the most important questions of the day. Anything which conceals information about health is little short of criminal.

People are entitled to know all about their teeth—all about dentistry—for infected teeth cause widespread sickness, disease and suffering. People cannot know of these things unless they are told, and the best way to tell them is to advertise.

That is why Registered Dentists using the E. R. Parker System advertise—because advertising educates and tells where good dentistry can be had at moderate prices. Dr. Parker is thus making new and better ethics for the dental profession. He is opposed to any ethics that keep people ignorant of the dangers of infected teeth.

Under the new ethics, the great masses are now getting good dentistry, while under the old style only the favored few knew about it and could afford it.

Your health depends much upon your teeth. You are invited to call and have a free examination made.

It's no use to Make Money unless you Cultivate the BANKING HABIT

What would be the use to plant a field or a garden and then destroy it? What's the use of making money, then wasting it? If you have a leak in your pail or tub or barrel or plumbing, you stop it. When you carry your money around in your pocket and waste it, it's a leak in your future—stop it. Put your money in our bank. You will receive 3 per cent interest.

Silver Lake District Asks for More Bonds

Representatives of the Silver Lake Irrigation district appeared Saturday before the state irrigation securities commission and requested certification of \$300,000 in bonds for development of the district. The board has the request under advisement and will notify the district officials on what basis the certification will be made.

The district was represented by its board of directors, O. Osmundson, T. A. Fabris and Gus Schroeder; Jesse Stearns, attorney for the district; and J. O. Barr, engineer.
