Y. W. C. A. Sets Stage for Community Drama

A. is one of the latest exponents of the drama, and its community pageants, held in towns and cities all over the country, from Dallas to Denver and from Georgia to Maine, have been a most effective means of arousing community spirit and civic pride. Dress-makers and draftsmen, actresses and artists, carpenters and cornetists unite in putting on the performances.

All of the stages of the Y. W. C. A. theatres are not as small as this model which Mrs. Donald Pratt, of the Poultry Department, is building. In the natural amphitheatres from one hundred to two thousand actors take part. Miss Hazel MacKaye, sister of Percy MacKaye, of the Y. W. C. A., is now writing the plot for a Festival to be given at the Sixth Convention of the Young Women's Christian Associations of America in Cleveland, on the week of April 13, at which twenty-five hundred delegates from this and foreign countries are expected.

Japanese is Fined for Making Booze at Home

DALLAS, Or., April 2.—(Special to The Statesman)—J. Matoma, a Japanese resident of independence was arrested and brought to Dallas yesterday afternoon to face a charge of having intoxicating liquor in his possession. The arrest was made by

Sheriff John W. Orr and Deputy Sheriff L. C. Mascott, together with a revenue man from Portland.

Found in the house in which Matoma and other Japanese were living was a home-made still and about 40 gallons of Japanese whiskey, made from rice. Matoma acknowledged to the officers that he helped make the liquor but that it was made not for sale but for their own consumption. He stated that before coming to America he was engaged in distilling liquor in Japan and showed the officers just how the liquor was made. The still was a home-made affair which took many hours of patient waiting until a small amount of the beverage could be secured.

The Matoma piece was run upon by accident as the sheriff and the officers were looking for other bootleggers in the vicinity of Independence.

Matoma was given a hearing before Justice of the Peace John R. Sibkey, who fined him \$35 and costs. It is likely that a federal charge will also be lodged against him on a charge of distilling liquor. The booze taken in the raid was destroyed.

Matoma is a brother to Frank Matoma, a former Japanese hop grower of Independence.
