How to Wave Hair to Appear Naturally Curly

The tight little curls so dear to a woman's heart, the kind that remain in curl under any and all weather conditions, are best acquired by means of the new silmerine method. This simple method enables one to have the prettiest waves and curls imaginable, with all the appearance of "Nature's own." Silmerine is of course perfectly harmless. It leaves no sediment on the hair, nor any sticky or greasy trace. It also serves as a beneficial dressing, imparting a lively lustre and wholesome beauty to the hair. And the hair is fine and fluffy when combed out.

Taft Opposes Efforts of Friends in Oregon

A personal telegram was today received by the secretary of state from William H. Taft, requesting that his name not be allowed to go on the Republican primary ballot in Oregon as a candidate for president. If petitions are filed by Oregon Taft supporters, asking that he be listed as one of the candidates, the name will not be withdrawn, regardless of Mr. Taft's wishes.

This would be in pursuance of an opinion by the Oregon supreme court in 1916 in which the court ruled that the name of Charles Evans Hughes could not be kept off the ballot if his candidacy were pe-

ditions, for by the required 1000 electors.
Mr. Taft's telegram comes from Natchitoches, La. He says he has been informed that petitions are being circulated in Oregon to have his name placed on the ballot, and asks that it be withdrawn.
In 1916 Mr. Hughes made a similar request, and Wallace McCamant instituted action against Secretary of State Olcott to have the request complied with. But the court, on April 25, in an opinion by Justice McBride, held that the name must go on the ballot if the required number of electors demanded it. The opinion held that "candidate" is not construed as "one who seeks or runs for office."

SENATE FIGHT THREE-CORNERED

Hurley, Crandall and Ellis All After Seat in Eastern Oregon

One of the most interesting political races in the state at the coming primary elections will be a three-cornered fight for the state senatorship in the 22nd senatorial district, comprising Grant, Harney and Malheur counties. The first to file was Charles W. Ellis of Burns, the people of that section contending that the senatorship should be held next term by a Harney county man. Yesterday Julian Hurley of Vale, incumbent, and Charles M. Crandall, also of Vale, filed their declarations of candidacy. Both are attorneys at Vale.

Other candidates who filed yesterday were: Conrad P. Olson, Portland, for delegate to the national Republican convention from the state at large; D. J. Cooper, The Dalles, for delegate to the national Republican convention from the second congressional district; Oscar Hayter, Dallas, for Democratic presidential elector.

Charles E. Lockwood, Portland, for Republican presidential elector; Edward M. Cousins, Portland, for Republican nomination for public service commissioner to represent the western Oregon district; F. C. Howell, Portland, for Republican nomination for state senator from the 13th senatorial district; Charles C. Hindman, Portland, for Republican nomination for representative in the legislature from the 18th district.

Spring Find You Weak and Worn?

left thousands with weak kidneys and failing strength. Now comes Spring with its own special burdens of impure blood to impose a still greater burden on the over-worked kidneys. Don't wait for some serious kidney trouble to develop. Get back your health and keep it. For quick relief get plenty of rest, sleep and exercise, and help the weakened kidneys with **Doan's Kidney Pills**. Doan's have helped thousands and should help you. **Ask Your Neighbor!**

HAS Winter left you dull, tired; all worn out? Do you have a constant backache, with headaches too, dizzy spells, sharp, shooting pains and some annoying kidney irregularity? Does Spring find you feeling older, slower than you should? From a health standpoint it has been a trying winter. The influenza and grip epidemics have

These are Salem Cases:

<p>SOUTH THIRTEENTH STREET</p> <p>Mrs. Emily Edwards, 4107 South Thirteenth street, says: "I couldn't speak too highly in praise of Doan's Kidney Pills, for I have never found anything equal to this old, reliable kidney medicine for regulating the kidneys and stopping backache. I am only too glad to tell others who are subject to backache, as I used to be, that Doan's Kidney Pills are very reliable and effective for that trouble."</p>	<p>HIGH STREET</p> <p>Joseph Wint, retired blacksmith, 668 High street, says: "My back and kidneys bothered me. My kidneys were disordered and my back seemed to lose strength. A short use of Doan's Kidney Pills soon put me right." Over three years later, Mr. Wint said: "My opinion on Doan's Kidney Pills is just the same today as it was when I gave my first endorsement. I haven't had any kidney trouble now for several years and I give Doan's credit for bringing such lasting results."</p>	<p>MISSION STREET</p> <p>Mrs. G. H. Deacon, 1498 Mission street, says: "It has been a long time since I have taken Doan's Kidney Pills, but speaking from past experience, I can say them are a medicine of merit. I had a dull pain across my kidneys and at times it was very severe. After I had taken Doan's Kidney Pills a few days, that disagreeable ache disappeared. My back and kidneys have caused me but very little trouble since."</p>
<p>MILL STREET</p> <p>W. C. Johnston, gardner, 1021 Mill street, says: "Taking cold and over exerting myself brought on kidney trouble. For two years I suffered with pain in the small of my back, right across my kidneys. My back ached at night and in the morning I felt tired and lame. I was languid and nervous, also. Headaches and dizzy spells bothered me and my sight blurred. The kidney secretions didn't pass often enough and they contained sediment. Finally I heard of Doan's Kidney Pills, and after taking them, was greatly relieved. Doan's sure are fine."</p>	<p>NO package of Doan's Kidney Pills is genuine unless it bears the maple leaf trade-mark and the signature—"James Doan."</p>
