## The Chevrolet 490 is an all purpose car

George F. Bayer, Salem, Route 1, voluntarily makes this statement about his 490 Chevrolet:

"I have used it for all purposes since I bought it two years ago."  
"I recently hauled 1750 pounds of potatoes, 10 gallons of cream and one other passenger besides myself, from my home to Salem, at one load."  
We call this going some, but it proves the staying qualities of the Chevrolet 490.  
While we do not approve of such treatment, it is not difficult for the prospective buyer to figure out the long life of this little car if not overloaded, and treated the same as he would expect to treat a high priced car.  
Anyone is at liberty to write or talk to Mr. Bayer about his car, and we are willing to leave it to him as to whether he would recommend it.
