Senators Divide Over Question of United States' Part in Sonora Trouble

WASHINGTON, April 17 .- Application of Mexican federal army officers for permission to move forces two weeks. through American territory to attack Sonora on the north, created sharp discussion today on the senthe Leslie Methodist Episcopal respond with those of the Goodnich ate floor and before the committee

> Meanwhile the request had been referred by the state department to an official diplomatic communication. No action had been taken to-

night by the war department. In the senate, Senators Ashurst and Smith of Arizona, opposed vigorously any suggestion that the request be granted. Senator Ashurst asserted that Arizona should oppose any such movement by force, if necessary, should the federal government not grant the state protec-

The senate discussion was halted when Senator Knox. Republican. Pennsylvania, announced that he had information that the request had been refused, although later he said his information was not official, but based on a statement in the New York Sun, which had stated only that the permission sought would not be granted.
