

Dr. M.P. Mendelsohn Specialist in Eyesight

Can be seen at his office, 211-212 Oregon building...

It is my business to help others see. It is a worthy work...

One-third of a century of practical experience, constant research, and study, qualify me, I believe, to offer you the best expert advice...

Model glasses, scientifically ground—model adjustments, insuring comfort—model shaped lenses, giving dignity to your face—model clips that hold firmly, but easily.

My prices are very reasonable, and I guarantee my work to be perfectly satisfactory in every respect.

I change your glasses free of charge for one year if necessary. Lenses duplicated while you wait.

HOW DO YOU LIKE THE LOOKS OF THIS PARTY? You can't blame him for looking sour. He has the Grip, a groch, his nose runs, his bones ache, and he looks on the world through blue glasses, just as we all do when we have a Cold. You need a medicine to reduce the fever, stop the ache, carry the cause out of the system. Here is a preparation that is fever-reducing, anodyne, and pleasantly laxative. Try one box. You will like it. Schaefer's Cold Tablets SCHAEFER'S DRUG STORE 135 North Commercial
