## MOB FAILS IN LYNCH RAID IN INDIANA

### 2000 Men Try in Vain to Make Way Into Marion County Jail After 14-Year-Old White Girl's Killer

### FIFTEEN ARRESTED; ONE NEGRO WOUNDED

### Police Finally Succeed in Disbursing Mob Shortly After Midnight

INDIANAPOLIS, Ind., April 22.—One negro was shot and fifteen men arrested in the attempt of a mob of 2,000 men to take William Ray, colored, 19 years old, from the Marion county jail, where he is held without bond for the murder of 15-year-old Martha Huff, a white girl.

Leon Harris, colored, was wounded in the neck and left leg when he was pursued for several blocks through the streets by a crowd.

John K. Gray, 39 years old, Louisville, Ky., was arrested for carrying concealed weapons and shooting within the city limits. The police say he shot at Harris. Fourteen men were arrested for disorderly conduct and inciting a riot.

The police dispersed the mob about midnight.

Four additional arrests were made shortly afterward while the police were driving the mob away from the jail. It was scattered with difficulty. The police were well organized for their work, while the mob lacked leadership.

Few appeared to be armed and there was no evidence of a rope. As the mob broke up in smaller groups within a short radius of the jail, plans were made for a concerted attack on the jail.

Governor Goodrich is out of the city, but Harry B. Smith, adjutant general of the state of Indiana, is in charge and is ready to call local state militia companies if necessary.

Ray, the negro, is 19 years old and married. He is said to have made a written statement this morning in which he told how he enticed the girl from her home with the promise of new clothes and took her to a lonely spot on the banks of Eagle Creek.

## KANSANS FEAR BLACK INVASION

### Rumor Has Negro Mob on Way to Avenge Fellow Lynched at Mulberry

PITTSBURG, Kas., April 22.—Negroes from Croweburg, Kas., a small mining camp in this district, tonight were reported to be marching to Mulberry, Kas., where a negro was lynched last Monday following an attack on a white girl.

M. F. Brandenburg, son of W. A. Brandenburg, president of the Pittsburg state normal school, in company with students of the school went to Mulberry tonight to present a play. Young Brandenburg returned with the report that the play was stopped at the end of the first act following a report that the negroes were marching on the town.

A Mulberry businessman reported over long distance telephone late tonight that the hardware stores had been thrown open to the public so that arms and ammunition could be secured to properly arm the Mulberry citizens against the arrival of the mob.

It was later reported that some of the citizens considered the report only a wild rumor, but guards have been thrown around the town.

## ANNEXATION OF FAIR GROUNDS HELD LEGAL

### NO STATUTORY OBSTACLE, BROWN TELLS LEA

### Attorney General Points Out in Opinion That Move Will Be Advantage to State

There is no legal obstacle in the way of the city of Salem annexing the state fair grounds, according to an opinion of Attorney General Brown to A. H. Lea, secretary of the state fair board.

The city council will place the measure on the ballot for vote of the people at the special election May 21.

The attorney general points out that the proposed examination will have no effect on the fair board's jurisdiction, while at the same time it will provide the advantage of affording city police protection for the grounds.

The move has been initiated because of a desire of the Salem Elks to use some of the buildings on the grounds for entertainment purposes when the state Elks convention meets here in June.

## MRS. U. G. HOLT CALLED BEYOND

### Member of Prominent Salem Family Active in Church and Social Work

## FOUR PLANS FOR RAISING BONUS

### Democrats and Republicans Make Mutual Charges of Vote Fishing

WASHINGTON, April 22.—The fight against levying a sales tax to raise part of the money for soldier relief legislation, was taken today to the floor of the house.

Amid applause of the Democrats, Representative Henry T. Rainey, Democrat, Illinois, charged that Republicans were attempting to "buy the soldier vote" with the promise of \$1.25 a day bonus. The applause quickly shifted to the other side when Representative Trencher, Republican, Kansas, stated that the Democrat proposal of a retroactive war profits tax was designed solely "to catch votes."

Meanwhile the Republican members of the ways and means committee had agreed tentatively on four forms of taxes for raising \$1,500,000,000 in the next two years. While the sales tax was accepted by these committee men, added opposition to it was said to have developed through Republican leaders doubted whether it would be eliminated as a revenue getting scheme. The three other levies tentatively accepted by the committee were a tax on all stock exchange transactions equal to the amount of the broker's commission, and additional surtax on incomes, probably in excess of \$5000, and an increase of approximately 15 percent on existing taxes on cigars and tobacco.

In the absence of a final agreement, Republicans, who had forced the call of a party conference for tonight, agreed in conference with the Republican ways and means men to postpone it until April 30, when the complete majority program on soldier relief legislation is expected to be available for discussion. Final action on the revenue plans.

## CHALLEAU IS FOUND GUILTY OF COMMERCE

### Trial Comes to End After Three Months With Conviction on Minor Charge Against Former Premier

### TREASON CHARGE IS EARLY ELIMINATED

### Sentence to be Pronounced Today Expected by Many to be Very Light

PARIS, April 22.—Joseph Caillaux, former premier of France and twice minister of finance, stands tonight convicted of having placed his personal political ambition during the war higher than the interests of the country that honored him and gave him birth. Caillaux, while escaping conviction for high treason was found to have been recklessly imprudent and very close to treasonable ambitions. For such is the interpretation of the verdict of "guilty of commerce and correspondence with the enemy," rendered today against him by the French senate.

This is the first verdict of the sort rendered in any of the allied countries since the war began—"commerce," is interpreted by the senators who were the judges, not meaning financial trading, but commerce by means of common ideas, while "correspondence" in this particular case is employed in the sense of association.

## Treason Charge Eliminated

### The senators entered Luxembourg palace this afternoon determined to finish the affair, which has taken up their time during the past three months.

### When they attempted to have the senate refrain from establishing itself as the highest constitutional authority, with power to find the accused not guilty as charged, but guilty of lesser offenses, their enthusiasm waned.

## MAV BE BANISHED

### The verdict may mean a sentence of five years' banishment for Caillaux, which may, however, be diminished to one year, according as extenuating circumstances are found.

### When they attempted to have the senate refrain from establishing itself as the highest constitutional authority, with power to find the accused not guilty as charged, but guilty of lesser offenses, their enthusiasm waned.

## REPUBLICAN REVENUE PLANS

### Republicans are expected to propose a tax on all stock exchange transactions equal to the amount of the broker's commission, and additional surtax on incomes, probably in excess of \$5000, and an increase of approximately 15 percent on existing taxes on cigars and tobacco.

## Iowa Delegates Are Pledged to Lowden

### "GUARD" IS SHOT BY "ACCIDENT"

### Wounded in Wednesday's Battle Are Recovering Rapidly; Two in Danger

BUTTE, Mont., April 22.—Peace and calm after a troublous four days appeared to have settled down on Butte this morning with the placing on patrol of infantrymen from Fort George Wright, Spokane and Camp Lewis, American Lake, Wash., and the announcement yesterday by mine officials that operation of the big mines shut down early in the week, would be resumed today, was expected to result in restoration of the city to normal.

No demonstration greeted the troops as they arrived late last night to take up patrol duty after disturbances Wednesday which resulted in the injury of 15 men and on Thursday, when a "guard" was killed by a rifle in the hands of another "guard" in the building of the Butte Daily Bulletin, radical organ.

Handbills signed by the strike committee announced last night the determination last night of Metal Mine Workers Union No. 300, I. W. W., to continue the strike called last Sunday to enforce demands for the release of "political prisoners" \$7 for a six hour day; abolition of the rustling cards and other changes in working conditions. These demands have not yet been presented to the companies, the latter state.

Wounded Are Recovering  
At 5 o'clock this afternoon physicians reported that only two of the men wounded in the clash yesterday war in a critical condition. The other 15 will recover, they stated.

An investigation today revealed that 11 of the wounded men were foreign born and at least seven are not citizens.

Sheriff John K. O'Rourke declared this afternoon that he had definitely established that the building from which the first shot was fired in yesterday's clash was the Simon's boarding house. Mrs. John Lowmy, proprietress, in a public statement this afternoon asserted no shots were fired from the boarding house.

A watchman at the Butte Daily Bulletin office is held in the county jail on a charge of manslaughter in connection with the shooting of Hugh R. Baron, a fellow watchman this morning.

In a hand bill issued tonight by Metal Mine Workers' Union No. 300.
