

# MILLION BUCKS SAYS MANAGER BIDDIE BISHOP

## That's What Salem's Doughty Baseball Pilot Thinks of Sunday Game

### HEAR WHAT HE SAYS

#### Oxford Park Looks Like Famous Polo Grounds, Every Player on His Toes

With the weather looking like a million dollars and Oxford park coming around into shape, the game Sunday between the Rupert, Idaho, baseball club and the Salem Senators ought to be a hummer.

The grounds will have two teams of horses at work on them all day Saturday and Sunday morning. The sun, which was bright yesterday for the first time this week, has already made the park look fine. Twenty yards of dry sand was put on the grounds last week and that much more will be put on Sunday morning. This will make Salem's baseball orchard look like a big league ground, and a good game is assured the fans.

"See Us Caper," Biddie Invites.

"Last week we lost both games, but watch us go from now on," says Biddie Bishop. "We got a lot of experience from those two games, and all those mistakes have been talked over and we hope no more

of the same ones will be displayed." The club looks like a winner now. There's Hays and Kracke, two wonderful backstops; Cole, Brown and Craig, a pitching staff that would make any class B league stay in the first division. Manager Nick Williams wanted both Cole and Brown for his Canucks, but the boys are both well satisfied here and will stay. Cole is a home boy, that is, his home is at Stayton and his folks are there. Bob Brown has a good job with the state highway commission at the end of State street as a mechanic. Hays and Kracke also turned down flattering offers from the blonde-headed manager from Moose Jaw.

**Strong Hitters in List.**

The infield is a wonder, and hobbies will be scarce when the boys get working together. Proctor, Miller, Cohn and Bishop holding down this end of the club. As for outfielders, O'Malley, Holmes, Adams, Knickerbocker and Hall are all hard to beat on their fielding and hitting ability.

"There's nothing to it," says Manager Bishop. "They can't hold us back. We will win in spite of a little bad start. The boys are all willing together, and when there is harmony like that in the Salem club, they can't stop us, that's all. Rupert is coming here with a fast club and there will be no alibi for Sunday. We are going out to get them."

**How They Line Up.**

The lineup for the two clubs follows:

Salem—Catcher, Hays and Kracke; pitchers, Cole, Brown and Craig; shortstop, Cox; first base, Bishop; second base, Cohn; third base, Proctor; left field, O'Malley; center field, Holmes; right field, Adams; utility, Knickerbocker and Hall.

Rupert—Catcher, Shangling; pitchers, Krause, Gravel and Mohler; shortstop, Franklin; first base, Blanchard; second base, Nelson; third base, Brown; left field, Flystinger; center field, Steushoff; right field, Harris; utility, Block.

### All Bids Are Rejected by State Board of Control

Because of the low figure offered the state board of control today refused to accept the bid of Freeman Smith & Camp for \$1,000,000 in state highway bonds and will re-advertise the issue, bids to be opened May 11. The proposed issue is 4 1/4 per cent bonds, but the bid was only 3 1/2, and the discount would make the interest return 5.31 per cent. The bidders were representatives of a combination account, the other members of which were Halsey, Stuart & Co., A. D. Leach & Co., E. H. Rollins & Sons, Coffin & Burr and the Ladd & Tilton bank.

The bid was the highest of three received yesterday. The other two were 90.31 by the National City company, and 90.21 by Ralph Schmeeloch of Portland.

\*Batted for Jackson in the second.

Summary—two-base hits, Hartman, Keene; three-base hits, Keene; home run, Keene. Base on balls, by Jackson 3, by Irvine 2, by Keene 2. Hit by pitched ball, Summers by Irvine. Struck out, by Keene, 5; by Irvine, 6.

Umpire, Hays.

When Jackson, ordinarily a heady and puzzling twirler, lost his bearings in the second inning yesterday, Willamette allowed the Oregon Agricultural college team to pace around the circuit seven times and spoil what otherwise would have been anybody's game. The Aggies won by a score of 10 to 1, Willamette in spots showing lack of practice due to bad weather.

Irvine, who went into the box in Jackson's place in the third pitched an excellent game, holding the visitors down to two hits for the remainder of the game which was called at the end of the seventh to allow the O. A. C. team to make a train. Both the hits off Irvine were by "Speck" Keene, Salem high school youth, who batted tremendously for the visitors, out of four times up making a two-base hit, a three-bagger and a home run.

For Willamette McKittrick played a sensational game at first base and could qualify on most any college team. Irvine fielded his position in fine style while his twisters kept the Aggies puzzled.

Willamette's lone score came in the first inning. Irvine drew a walk and advanced to third when Gill overthrew first base after fielding a short one from Davies' bat. Page filed to Palfrey who failed to throw Irvine out at the plate. Brown and H. Dimick whiffed.

The tragedy for Willamette was in the second after two were down. Kramien of O. A. C. filed to McKittrick. Gill singled and was advanced to second when Summers sacrificed. Irvine to McKittrick. An error by Irvine in handling Kasberger's grounder allowed Gill to score and Kasberger to go to second. He stole third. Siebert was walked by Jackson, likewise was Hubbard and the bases were full of Aggies. Hartman rapped out a double, scoring Kasberger and Siebert and leading Hubbard on third. Palfrey was passed by Jackson and the bases were full again. Keene kissed the apple for a home run, sending the ball over the right field fence, and four more tallies were chalked up. Kramien singled. Gill was out to Page to McKittrick.

The Aggies scored again in the fourth. Hartman reached first when Brewster allowed a dead easy grounder to get by him. Palfrey was fanned by Irvine, but Keene selected this juncture to whack the ball on the snot for three bases, scoring Hartman. Kramien filed out to Irvine who raced over to third before Keene could recover the bag and put him out.

The visitors' two final scores were in the seventh. Palfrey was passed. Keene doubled, sending Palfrey to third. Kramien filed to McKittrick. Gill was walked and bases were full. Summers took first on fielders choice when Page threw Gill out at second, which also allowed Palfrey and Keene to score on the play. Kasberger was out Davies to McKittrick. The Willamette team goes to Corvallis today for a return game.

### Used Car Morals

Automobiles, like people, are judged by the company they keep. Some one ought to launch a vice crusade—a regular clean-up campaign—to lift the used car business to a plane as wholesome and sound as the new car business.

Why a used car? The most important thing to be considered in the purchase of a used motor car is the responsibility of the seller. There should be faith not only in the article but in the man or firm offering it for sale. Many reputable dealers are offering used automobiles for sale, and their future depends on their honesty and integrity in every transaction.
