IT TAKES THE JOY

Out of Life—in the Spring When Impure Blood, Lost Appetite,

Lifelessness, lassitude and that tired feeling put down health to the low level that invites illness.

The knees become weak and life seems hardly worth living. In this condition Hood's Sarsaparilla has the real "human touch." It meets the necessity promptly and completely. It purifies the blood, creates an appetite, "makes food taste good," and aids digestion, thus naturally increasing strength and in a common-sense way building up the whole system. Then the bright days of spring find in you happy response, and the whole world smiles again.

Take Hood's Sarsaparilla for your Spring Medicine—used as such for nearly 50 years by thousands. It "makes food taste good."

Keep on hand Hood's Pills as a gentle laxative or (in larger doses) as an active cathartic.

25 years old. The Oxo Gas company is holding demonstrations daily at their business on Court street.

Returned Home From the Navy—Oliver Michaels returned Wednesday from four years' service in the United States navy. He is a son of Mr. and Mrs. Andrew Michaels, whose home is at 1445 Saginaw street. The senior Mr. Michaels is with the F. A. Curtis company. Oliver brought home with him a wife, a New York girl, whom he met while he was on duty in New York. His four years of service took him pretty well over the world. He made four trips on the U. S. S. Huntington, conveying troops to France. He was for nine months in the North sea on the U. S. S. Quincebang, a mine layer, helping to put the mine bars across from Scapa Flow to Norway—the biggest mine-laying job of the war, or of history. The mine-laying fleet of 10 ships was credited with disposing of 17 enemy submarines. For this service, each of the 10 ships carried 17 stars on its smokestack. He was at the review of the German fleet at Scapa Flow. Oliver is enthusiastic over the service. He made his promotion as Carpenter's mate, in which he had experience in several kinds of useful work. However, he is glad to get back home to Salem, and he expects to remain here, and is looking for a job, and he ought to have and will no doubt get a good one.

School Tax Is Endorsed—A meeting was held at the Liberty school house Friday night to discuss tax measures. J. A. Churchill was the principal speaker in favor of the 2-mill tax for elementary schools. There was almost unanimous sentiment in favor of the tax. Percy Capper, state engineer, gave a strong argument in favor of a tax for the higher institutions of learning. After the primary class had given a clever dramatization of Cinderella, Miss Parkhurst and Miss Hastings gave a piano duet. Miss Cornelia Marvin gave a very interesting address on her trip through the orient. Dainty refreshments were served.
