Willamette Plays Chemawa Today, Pacific on Friday

The Willamette university baseball team will play Chemawa on the Chemawa field at 3:30 this afternoon. The Bearcats will line up about as they did for the O. A. C. game last Saturday. Willamette men anticipate a fast game with the Indians. The next game will be played Friday with Pacific university on the Willamette field.

Interclass Track Meet Is Won by W. U. Juniors

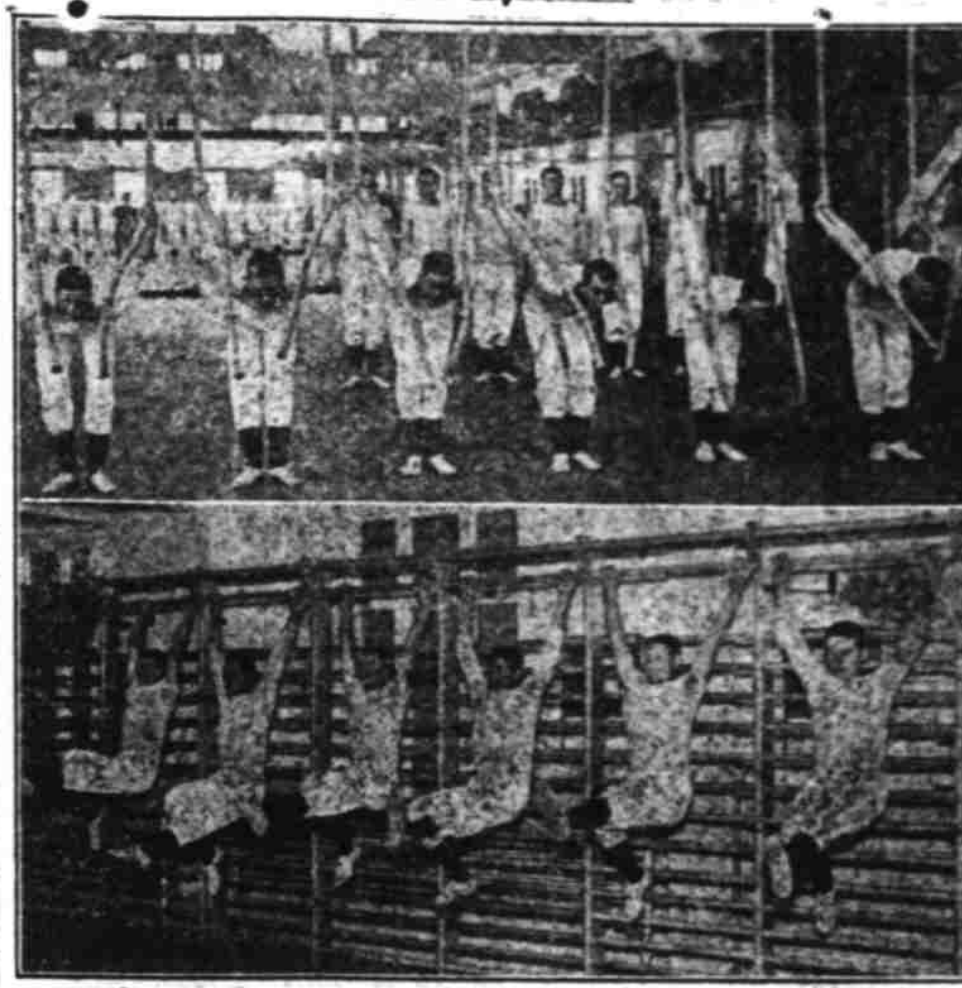

The interclass track meet at Willamette university was won by the juniors.

This gives them a strong chance for the interclass rivalry championship cup.

The tennis meet is expected to go to the sophomores, but if the juniors win third place in that event they will reach the goal.

The junior's star man is Rein Jackson, who individually won a score of 13 points. Other juniors who helped to swell the score were Keith Lyman, Robert Fisher, Bryant McKittick, Russel Rarey, Lawrence Davies and Paul Wapato. The final score of the track meet stands:

"INDOOR SPORTS"

Our old friend T. A. D. (Tad) might get a good subject for his "Indoor Sports" series if he were to visit the Great Naval Training Station at San Francisco and see some of the husky lads do their stunts on the ropes, bars, rings, etc. Undoubtedly there is more means for perfecting one's physical defects at our Training Stations than at any other place in the country.

This picture shows only a part of the "gym" and the large athletic field, where track meets are held, is one of the finest in the land. Uncle Sam furnishes all the paraphernalia, too.

Juniors 52, freshmen 45, sophomores 28.

The events that took place yesterday and completed the meet were the 220-yard dash, the javelin throw and the high and low hurdles.

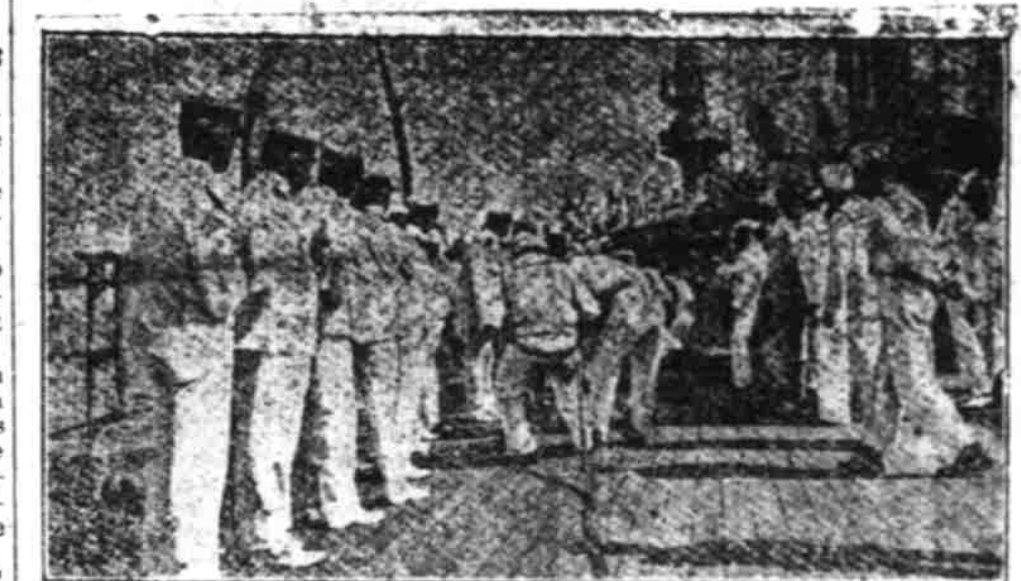

The 220-yard dash was won by Jackson (J). Zeller (F) came in second and Notson (F) made third place. Time was 24.3 seconds.

The javelin throw was won by William Lawson (F), with R. Lyman (J) second, and B. McKittick (J) third. Distance, 122.7 feet. In the high hurdles Ganzana (F) was first, R. Rarey (J) second, and H. Lyman (S), third. Time 30 seconds.

The low hurdles Ganzana (F) was first, R. Rarey (J) second, and H. Lyman (S), third. Time 30 seconds.

THESE BOYS HAVE A GOOD LINE

If you happened to drop anchor in a foreign port, and especially where the weather is fine and warm, and you wanted to "hit the beach" real bad, you would probably have to display your wares in a tug-o-war contest before you would be first ashore. The question of first ashore is sometimes settled in this fashion.

The ship's company is divided into two watches or four sections. When the ship comes into port, one watch goes ashore. And sometimes, when a question arises as to which watch is entitled to first chance, the captain orders the tug-o-war line broken out. The winners are first to enjoy the offerings of the tropics, or foreign land, as the case may be.

The Maryland's Sponsor Ready to Smash Bottle of Real Champagne Against Ship

Mrs. E. Brooke Lee and Secretary Josephus Daniels

Just where it came from has not been announced, but a bottle of perfectly good champagne was used by Mrs. E. Brooke Lee, sponsor for the superdreadnaught Maryland, launched at Newport News, Va. Doubts as to the contents of the bottle were dispelled until Mrs. Lee held it aloft. Those nearby could see "Champagne" plainly printed on the label. In the photograph can be seen with Mrs. Lee, who is the wife of the Comptroller of the State of Maryland, Secretary of the Navy Josephus Daniels. It was taken just before she crashed the bottle against the side of the largest United States war vessel.

approved by, or submitted to Democratic as well as Republican committees.

"You ask in your letter," he said, "whether the attack on you is a part of the campaign of a few Republicans to discredit the Democratic administration and others prominently associated with you." The report was adopted without any dissent from the Democratic members who were either present or to whom a copy had been submitted. The report, therefore, was a statement to congress by the committee itself and not by me personally. I am not seeking, however, to evade any responsibility for the report or my approval of it.

Mr. Smoot disclaimed for the committee any censorship authority over government publications, and added: "I am opposed, however, to such miserable propaganda as has been undertaken by unscrupulous men, both within and without the government service. If the war has taught us any lesson it is of absolute loyalty to our country and its government. Men who before the war were preaching anarchy, Bolshevism and insidious pro-German propaganda should be driven from public life, for the United States has no use for such contemptible creatures."
